1. Student Athlete Tuition Waiver

- 1.1 After receiving a letter of acceptance student-athletes, excluding those with a full tuition waiver, must pay the Admissions Deposit to confirm their acceptance of admission at Keyano College and hold their seat in the program.
- 1.2 All student athlete tuition waivers will be applied to student's accounts by the Office of the Registrar.
- 1.3 The Athletics Department will provide the Office of the Registrar a list of student-athletes using the agreed upon process, teams they are participating on, programs that are attending and the amount of the tuition waiver that is being applied to the student-athlete's account.
- 1.4 Student athletes will be required to pay any remaining balance on their student account for a given term 10-business days after their tuition waiver has been applied if the application of the tuition waiver happens after the tuition and fee payment deadline.
- 1.5 The maximum tuition amount allowed per person per semester is no more than full tuition.

2. Student Athletes Enrolled in Collaborative Programs

- 2.1 Student athletes who are registered in a collaborative program between Keyano College and any of the institutions with which the College has a collaborative agreement in place, will be considered for a bursary in place of the tuition waiver which aligns with the individual team limits.

- 2.2 This bursary will be paid directly to the fee collecting institution through a sponsorship agreement. The Athletics Department will notify the Office of the Registrar of all collaborative students no later than one month prior to the start of classes for a given semester. The Office of the Registrar will notify the collaborative institution.
