

# Course Outline

# **University Studies**

Fall 2021

#### **BIOL 107A: INTRODUCTION TO CELL BIOLOGY**

3 credits, 3 hours lecture per week, 3 hours laboratory per week

This course is an introduction to cellular structures, molecules, energetics and processes, including that of both prokaryotic and eukaryotic cells. The course includes topics on cellular structures and functions, cellular respiration, photosynthesis, cell division, and the molecular expression of genetic material through the processes of replication, transcription and translation.

Prerequisites: Biology 30 and Chemistry 30

Note: BIOL 107 and 108 can be taken in any order; neither course is a pre-requisite for the other.

#### Instructor

Dr. Blaine Legaree

Office: S209D

Phone: 780.792.5616

Email: <u>blaine.legaree@keyano.ca</u>

#### **Office Hours**

Mon/Wed/Fridays 3:00-4:00 pm Tuesdays 9:30-10:30 am Thursdays 9:00-10:00 am

#### **Hours of Instruction**

Lecture: Mon/Wed/Fridays 4:00 – 4:50 pm Rm S207 Laboratory: Thursdays 2:00 – 4:50 pm Rm CC234

#### **Required Resources**

- 1. <u>Campbell Biology, 3<sup>rd</sup> Canadian Edition</u>, 2021, Urry, L.A. *et al.*, ISBN-13: 978-0134851716 *Available in digital formats at the <u>Keyano Bookstore</u>, <u>MasteringBiology.com</u> & <u>Amazon.ca</u>.*
- 2. Biology 107 Laboratory Manual, Fall 2021 Edition. Keyano College.
- 3. **Laboratory coat.** Available at the Keyano Bookstore.
- 4. <u>Laboratory goggles.</u> Available at the Keyano Bookstore. If you are taking Chemistry, you will need your own pair. If you are taking Biology only, you may wish to share a pair of goggles as they are only required for certain exercises.
- 5. Waterproof marker. Finetip pen (e.g. Sharpie) for labelling test tubes, etc.

#### **Course Outcomes**

Upon successful completion of this course, the student shall be able to:

 Apply knowledge of the structure of molecules and cells to explain how energy, matter, and information move within cells of eukaryotes and prokaryotes.

- Demonstrate a number of important laboratory techniques used in the study of cell and molecular biology.
- Apply the scientific method to generate and analyze data obtained in the lab.
- Demonstrate written communication skills through exams and laboratory assignments.

#### **Evaluation**

Midterm Examination 1	15%	Wed, Oct 13, 2021
Midterm Examination 2	15%	Mon, Nov 8, 2021
Laboratory	40%	Evaluation detailed in the laboratory manual.
Final Examination	30%	Date to be set by the Registrar

A grade of C- is required for progression or transfer.

#### **Examinations**

Exams consist of multiple choice, short answer and long answer questions and are based on material covered in the lectures.

The final exam is cumulative but will focus on material covered following the second midterm.

The final exam **must** be written to complete this course.

# Laboratory

The laboratory component is detailed in the course laboratory manual and includes written reports, practical tests, and a final lab exam.

Academic integrity: Laboratory assignments are to be the product of each student's own work. Although you may work in pairs during the lab period and discuss the assignment prior to doing the work, you are expected to do the actual work by yourself independently of any other student, including your lab partner. Do not share or loan assignments to anyone. Any acts of plagiarism and academic misconduct are subject to penalties detailed in the Keyano Academic Integrity Policy. As detailed on pg. 4 under Academic Misconduct, all students are required to complete the Plagiarism Recognition Tutorial prior to handing in any assignments in this course.

<u>Late assignments</u> will be penalized 10% per day late and will not be accepted if more than 5 days late.

Attendance: Students are required to attend <u>all</u> labs unless excused for valid reasons. Unexcused absence from any lab period or failure to submit a lab report may result in your being assessed a failing grade in the course. Absence from more than any two (2) laboratory periods for any reason may also result in a failing grade.

Note: Lectures, study questions, lab assignments, and textbook readings are all designed to help you succeed in this course. Completing assignments and attending lectures are essential to your success. Students who do not complete all the required work should not expect to pass the course. Good study habits, such as reviewing material in advance of the midterms and participating in class, will also aid your efforts.

# **Grading System**

Descriptor	Alpha Grade	4.0 Scale	Percent	Rubric for Letter Grades
	A+	4.0	> 92.9	Work shows in-depth and critical analysis, well developed ideas, creativity, excellent writing,
Excellent	Α	4.0	85 - 92.9	
	A-	3.7	80 – 84.9	clarity and proper format.
	B+	3.3	77 – 79.9	Work is generally of high quality, well
Good	В	3.0	74 - 76.9	developed, well written, has clarity, and uses
	B-	2.7	70 - 73.9	proper format.
	C+	2.3	67 – 69.9	Work has some developed ideas but peeds
Satisfactory	С	2.0	64 - 66.9	Work has some developed ideas but needs more attention to clarity, style and formatting.
Progression	C-	1.7	60 - 63.9	more attention to darky, style and formatting.
Poor	D+	1.3	55 – 59.9	Work is completed in a general way with
Minimum Pass	D	1.0	50 – 54.9	minimal support, or is poorly written or did not use proper format.
Failure	F	0.0	< 50	Responses fail to demonstrate appropriate understanding or are fundamentally incomplete.

# **Schedule of Topics**

# Textbook Readings:

1. An Introduction to Cells and the Scientific Method  Ch 1.1-1.4 pg 1-26 pg 586-592 pg 602-603  2. Macromolecules  Ch 5.1-5.5 pg 72-92  3. Microscopy, Cell Culture and Other Laboratory Techniques  Ch 6.1 & class notes  Ch 7.1-7.5 pg 137-152 Ch 6.7 pg 128-131 Ch 27.1 pg 608-609  5. Prokaryotic Cells: Bacteria and Archaea  Ch 27.1-27.6 pg 607-624  6. Eukaryotic Cells: Cellular Compartments and Organelles  Ch 6.6 pg 122-128 pg 605-6 (prok. flagella  R. Cellular Order and Energetics  Ch 8.1-8.3 pg 155-165  9. Enzymes  Ch 9.1-9.6 pg 176-196  11. Photosynthesis  Ch 1.1-1.4 pg 608-692  Ch 26.1 pg 104-107  Ch 6.1 ch 6.1 pg 137-152  Ch 6.6 pg 122-128  Ch 6.6 pg 122-128  Ch 9.1-9.6 pg 165-173  Ch 9.1-9.6 pg 176-196
3. Microscopy, Cell Culture and Other Laboratory Techniques  4. Biological Membranes, Cell Walls and Cell Surfaces  Ch 7.1-7.5  Ch 6.7  pg 137-152  Ch 6.7  pg 128-131  Ch 27.1  pg 608-609  5. Prokaryotic Cells: Bacteria and Archaea  Ch 27.1-27.6  Eukaryotic Cells: Cellular Compartments and Organelles  Ch 6.2-6.5  Ch 6.6  pg 107-122  7. Cytoskeletons & Molecular Motors  Ch 6.6  Ch 27.1  pg 605-6 (prok. flagella  Respiration and Fermentation  Ch 8.1-8.3  Ch 9.1-9.6  Ch 9.1-9.6  Ch 9.1-9.6  Pg 106-107  Pg 104-107  Pg 104-107  Pg 104-107  Pg 104-107  Pg 104-107  Pg 108-101  Pg 122-128  Pg 607-624  Ch 6.6  Pg 122-128  Pg 605-6 (prok. flagella  Ch 8.1-8.3  Pg 155-165  Ch 9.1-9.6  Pg 176-196  Thotosynthesis
3. Microscopy, Cell Culture and Other Laboratory Techniques  & class notes  Ch 7.1-7.5 pg 137-152 Ch 6.7 pg 128-131 Ch 27.1 pg 608-609  5. Prokaryotic Cells: Bacteria and Archaea Ch 27.1-27.6 pg 607-624  6. Eukaryotic Cells: Cellular Compartments and Organelles Ch 6.2-6.5 pg 107-122  7. Cytoskeletons & Molecular Motors Ch 6.6 pg 122-128 Ch 27.1 pg 605-6 (prok. flagella)  8. Cellular Order and Energetics Ch 8.1-8.3 pg 155-165  9. Enzymes Ch 8.4-8.5 pg 165-173  10. Cellular Respiration and Fermentation Ch 9.1-9.6 pg 176-196  11. Photosynthesis Ch 10.1-10.5 pg 199-219
<ul> <li>4. Biological Membranes, Cell Walls and Cell Surfaces  Ch 6.7  Ch 27.1  pg 608-609  Degree For Survivity Cells: Bacteria and Archaea  Ch 27.1-27.6  pg 607-624  Ch 6.2-6.5  pg 107-122  Ch 6.6  pg 122-128  pg 605-6 (prok. flagella)  Respiration and Fermentation  Ch 8.1-8.3  pg 155-165  Degree For Survivity Cellular Respiration and Fermentation  Ch 9.1-9.6  pg 176-196  pg 199-219</li> </ul>
6. Eukaryotic Cells: Cellular Compartments and Organelles  Ch 6.2-6.5 pg 107-122  7. Cytoskeletons & Molecular Motors  Ch 6.6 pg 122-128 pg 605-6 (prok. flagella  R. Cellular Order and Energetics  Ch 8.1-8.3 pg 155-165  9. Enzymes  Ch 8.4-8.5 pg 165-173  10. Cellular Respiration and Fermentation  Ch 9.1-9.6 pg 176-196  11. Photosynthesis  Ch 10.1-10.5 pg 199-219
7. Cytoskeletons & Molecular Motors         Ch 6.6 Ch 27.1 pg 605-6 (prok. flagella pg 605-6 (prok. flagella pg 605-6 (prok. flagella pg 605-6 (prok. flagella pg 155-165)           8. Cellular Order and Energetics         Ch 8.1-8.3 pg 155-165           9. Enzymes         Ch 8.4-8.5 pg 165-173           10. 20. Viruses, SARS-CoV-2 and COVID-19 Ch 19.1-19.3 pg 419-436

<u>Please Note</u> – To facilitate unforeseen time constraints, time allotted to each topic is subject to change.

## **Laboratory Safety**

Students must complete the WHMIS for Students online training course on Moodle before entering the science laboratories.

Students must comply with the mandatory laboratory safety rules for this course as provided in the laboratory manual. Failure to do so will result in progressive discipline such as a verbal warning, refused entry into the laboratory, or suspension from the College.

Before entering the lab, students are responsible reviewing the lab manual and relevant Safety Data Sheets for the purpose of evaluating risks associated to health. Some hazards used in the laboratory may have additional risks to those with pre-existing medical conditions.

#### **Performance Requirements**

# Student Responsibilities

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the Keyano College credit calendar. The Keyano College credit calendar also has information about Student Rights and Code of Conduct. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

#### **Student Attendance**

Class attendance is useful for two reasons. First, class attendance maximizes a student's learning experience. Second, attending class is a good way to keep informed of matters relating the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and / or notes that may be due.

#### **Academic Misconduct**

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person's work as one's own
- The use of unauthorized aids in assignments or examinations (cheating)
- Collusion or the unauthorized collaboration with others in preparing work
- The deliberate misrepresentation of qualifications
- The willful distortion of results or data
- Substitution in an examination by another person
- Handing in the same unchanged work as submitted for another assignment
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, <u>you must successfully complete the online Plagiarism Recognition Tutorial at ilearn.keyano.ca.</u> Then print the certificate, sign it, and show it to each of your instructors. Your course work will not be graded until you show this signed certificate.

## **Specialized Supports**

The Student Services Department is committed to Keyano students and their academic success. There are a variety of student supports available at Keyano. Due to the continuing situation with the Covid-19 pandemic, the offered support services will be implemented through a model to respond to the restrictions in force at the time. In-person and virtual services will be offered. All Alberta Health Services guidelines will be followed for in-person appointments—wear a mask, maintain two meters of physical distance, use hand sanitizer, and stay home if you are unwell.

All student services are available during Keyano business hours: Monday to Friday, 8h30-16h30. The College is closed for statutory holidays. If you require support outside of regular business hours, please inform the support service team, and we will do our best to accommodate your needs.

**Accessibility Services:** provides accommodations for students with disabilities. Students with documented disabilities, or who suspect a disability, can meet with a Learning Strategist to discuss their current learning barriers and possible accommodations. Students who have accessed accommodations in the past are encouraged to contact us to request them for the semester. Please note that requesting accommodations is a process and requires time to arrange. Contact us as soon as you know you may require accommodations. For accessibility services supports and to book a virtual appointment, please contact <a href="mailto:accessibility.services@keyano.ca">accessibility.services@keyano.ca</a>.

Accessibility Services also provides individual and group learning strategy instruction for all students, as well as technology training and supports to enhance learning. Meet with a Learning Strategist to learn studying and test-taking strategies for online classes. Schedule an appointment with the Assistive Technology Specialist to explore technology tools for learning. Book an appointment today by emailing accessibility.services@keyano.ca

**Wellness Services:** offers a caring, inclusive, and respectful environment where students can access free group and individual support to meet academic and life challenges. Mental Health Coordinators offer a safe and confidential environment to seek help with personal concerns. Students may access services virtually and in-person.

Wellness Services welcomes students to participate in any of the group sessions offered throughout the academic year addressing topics including mindfulness and test anxiety.

Individual appointments can be made by emailing wellness.services@keyano.ca.

**Library Services:** provides students with research and information supports as they engage in their studies. Library staff are available to support you both online and in-person throughout the semester. For a detailed list of library supports and services, go to <a href="www.keyano.ca/library">www.keyano.ca/library</a>. For all inquiries, please email <a href="maskthelibrary@keyano.ca">askthelibrary@keyano.ca</a> or chat with us online.

Begin your research with the <u>Library's FIND page</u>. Search for information and sources for your assignments using the OneSearch, the Library's Catalogue, or by searching in a specific database selected from the <u>A-Z Database List</u>.

Individual support with us is available. For support with citations, research and other information needs, appointments can be booked using the online <u>Book A Librarian Calendar</u>. For support with Moodle, educational tools for assignments, Microsoft Office, Zoom, Teams and more, book an appointment using the online <u>Educational Technology Support Calendar</u>.

Research and subject guides are helpful resources when beginning your research, assignment, using new educational technology, or addressing other information needs. To view a subject or course-specific guide, check out the complete listing of online <u>Subject Guides</u>.

To access additional research resources, including Citation Guides (APA, MLA, Chicago, or IEEE), go to the Research Help Library page.

The Loanable Technology collection is available to support students in their learning pursuits, whether online, in person or both. Items available for borrowing include mobile projectors, webcams, noise-cancelling headphones, Chromebooks, and laptops. For an up-to-date list of technology available for borrowing as well as support available, go to the Library's <a href="Loanable Technology webpage">Loanable Technology webpage</a>.

**Academic Success Centre:** The Academic Success Centre is a learning space in the Clearwater Campus (CC-119) at Keyano College. Students can gather to share ideas, collaborate on projects, get new perspectives on learning from our Academic Content Specialists, or use the Centre's educational resources. The Academic Success Centre provides academic support services to students registered in credit programs at Keyano College in the form of individual tutoring, writing support groups, facilitated study groups, workshops, and study space. Services are **free** to Keyano students.

Academic Content Specialists are available in the areas of Math, Science, Human Services, and English/Humanities. This covers all courses offered at Keyano. The Academic Success Coach can also be found in the Academic Success Centre.

For the most up to date information on how to book a session, please view the Keyano Academic Success Centre homepage.

**Academic Integrity:** The goal of the Academic Success Centre is to foster a student's ability to learn effectively and independently. Students registered at Keyano College are welcome to drop by the Centre to visit with any of our Academic Content Specialists to discuss their academic concerns.

**Availability:** Monday to Friday: 8:30 a.m. – 4:30 p.m. Flexible times may be available upon request. Virtual and in-person sessions, please email to get in contact with our Academic Content Specialists. For the most up to date information on how to book a session, please view the <u>Academic Success</u> Centre homepage.

**Academic Success Coach:** offers you support and access to resources for your academic success to help you to find the Keys to your Success. The Academic Success Coach will work with you to develop an academic success plan, develop your study and time management skills, and connect you with the right resources here at Keyano. Academic.success@keyano.ca is the best way to access resources during blended service delivery. The Academic Success Coach is located in the Skill Centre in CC-119 at the Clearwater Campus.

#### E-Learning

Technology and internet will impact your online learning experience. It's important that you can watch an online video and other course materials, take online quizzes and participate in a live class with your instructor and other students. Live/virtual classes will be hosted in Microsoft Teams or Zoom.

For all course delivery types, you will access your course resources on Keyano's learning management system, **Moodle (iLearn).** Login in using your <u>Keyano username and password</u>.

Keyano College operates in a Windows based environment, and having the correct tools for online learning is important. Here's a list of recommended system requirements.

#### **Internet Speed**

Minimum Internet speeds of 10 Mbps. Recommended Internet speeds of 25 Mbps (especially if you are sharing your internet at home). Check your internet speed with <u>Fast.com</u>.

#### System requirements:

#### **Minimum Requirements:**

A Windows 10 or Macintosh (V10.14 and above) computer/laptop

- Minimum 4GB of RAM.
- 10GB+ available hard drive storage.
- Enough available hard drive space to install the Microsoft Office suite (approximately 3GB). Microsoft
   Office software is free to all Keyano students and employees.
- Microphone, webcam and speakers. A headset with a microphone is recommended.
- System updates must be regularly installed.
- Anti-Virus / Anti-Malware software

# **Recommended Requirements**

- 8GB of RAM
- A method of backing up/synchronizing to local or cloud-based storage such as OneDrive is highly recommended. This is included if you complete the setup of KeyanoMail and download MS Office using your Keyano email for free.

Chromebooks are **not** recommended as they are not compatible with testing lockdown browsers. A Microsoft Surface or iPad or iPad Pro may be possible alternatives in some program areas.

#### **Computer Software**

Students can access Microsoft Office 365 for free using Keyano Credentials by clicking here.

# **Recording of lectures and Intellectual Property**

Students may only record a lecture if explicit permission is provided by the instructor or by Accessibility Services. Even if students have permission to record a lecture or lecture materials, students may not publish any of the lectures or lecture materials, this includes any recordings, slides, instructor notes, etc. on any platform. Thus no student is allowed to publish or sell instructor notes without formal written permission. It is important to recognize that the Canadian Copyright Act contains provisions for intellectual property.

# **ITS Helpdesk**

If you are having issues with your student account, you can contact the ITS Helpdesk by emailing <a href="mailto:its.helpdesk@keyano.ca">its.helpdesk@keyano.ca</a> or calling 780-791-4965.
