

PHIL 102A Introduction to Philosophy: Knowledge and Reality*3 Credits, 3 hours*

This course provides the student with an introduction to the perennial problems of philosophy through the study and critical discussion of selected works. The aim of this course is twofold. First, the student will be introduced to the domain and method of philosophical inquiry. Second, the student will examine in some detail the areas of epistemology and metaphysics. Epistemology is concerned primarily with the nature of knowledge and metaphysics is concerned with the nature of reality.

(or by appointment)

Hours of Instruction

Mondays	3:00pm – 4:20pm	CC224
Thursdays	3:00am – 4:20am	CC224

Required Resources

A course package has been designed specifically for this course and is available in the campus bookstore.

Course Outcomes

Upon successful completion of the course, students will be able to:

- Differentiate between the main epistemological and skeptical positions in philosophy.
- Identify some key metaphysical and epistemological debates in philosophy.
- Demonstrate the ability to write an argumentative term paper which includes scholarly academic research and properly adopts APA or MLA referencing.

Evaluation

Students will be evaluated based on the completion of four assignments. These assignments include: a first exam, a term paper, a final exam and on-line discussion topics. Below is a brief description of each assignment, as well as relevant due dates. More detailed descriptions of each assignment will occur as we approach these assignments throughout the term.

On-line Discussions	TBA	20%
First Exam	17 February	25%
Term Paper	14 March	25%
Final Exam	TBA	30%
Total		100%

A grade of C- is required for progression or transfer.

First Exam

The first exam will cover material considered up to a week before the exam is scheduled. The exam will include multiple choice questions, short-answer questions and one essay question. The essay question will be provided before the exam, and it will follow the same format as the term paper. A review of the material will also occur before the exam, and students will be given a specific outline of the exam, including mark distribution, a week before the exam occurs. The value of this exam is 25% of the total grade.

Term Paper

The term paper should be between 5-7 pages (or 1500-2100 words) and contain at least two sources from the course reading list. A topics list will be provided for the term paper. Students must pick their term paper topic from this topic list or otherwise suffer a significant penalty. A basic format for the term paper, that also indicates the method evaluation, will be provided early in the term. The value of the term paper is 25% of the total grade

Final Exam

The final exam will cover only material considered after the first exam. This final exam will likely focus on essay questions or a combination of essay questions and written answer questions. More details will be offered concerning this exam as it approaches. The value of the final exam is 30% of the total grade.

On-Line Discussion Topics

At five points throughout the term I will post discussion topics for students to comment on. The total value of the assignment is 20%, and therefore 4% for every post. Your response does not have to be lengthy – between 200-400 words - but must exhibit understanding, clarity, accuracy, relevance and good reflections. Each topic will be available for only week and late submissions will not be accepted.

Grading System

Descriptor	Alpha Grade	4.0 Scale	Percent	Rubric for Letter Grades
Excellent	A+	4.0	> 92.9	Work shows in-depth and critical analysis, well developed ideas, creativity, excellent writing, clarity and proper format.
	A	4.0	85 – 92.9	
	A-	3.7	80 – 84.9	
	B+	3.3	77 – 79.9	

Good	B	3.0	74 – 76.9	Work is generally of high quality, well developed, well written, has clarity, and uses proper format.
	B-	2.7	70 – 73.9	
Satisfactory Progression	C+	2.3	67 – 69.9	Work has some developed ideas but needs more attention to clarity, style and formatting.
	C	2.0	64 – 66.9	
	C-	1.7	60 – 63.9	
Poor Minimum Pass	D+	1.3	55 – 59.9	Work is completed in a general way with minimal support, or is poorly written or did not use proper format.
	D	1.0	50 – 54.9	
Failure	F	0.0	< 50	Responses fail to demonstrate appropriate understanding or are fundamentally incomplete.

Proposed Schedule of Topics

Section One: Knowledge

1. Epistemology (Theories of Knowledge)

 Richard Taylor, (1994), "The Case for Materialism," pp.179-189.
 Anne Waters (2004) "Language Matters: Nondiscrete Nonbinary Dualism," pp.97-115.

Performance Requirements and Student Services

A late penalty of 3 marks per day, on a scale of 100, will apply to all late assignments, but will be waived for legitimate reasons if supporting documentation is provided. If an assignment is late, and not handed-in during class time, arrangements must be made with the instructor to hand-in the assignment. Should an assignment go missing, and the student is unable to produce another copy, the assignment will be considered not submitted. Likewise, if a grade is not recorded for an assignment the onus is on the student to demonstrate that the assignment was completed and graded. No late assignments are accepted after the last day of classes. No changes can be made to the class schedule, but exceptions can be made for legitimate reasons, such as an illness, if supporting documentation is provided.

Student Responsibilities

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the [Keyano College credit calendar](#). The Keyano College credit calendar also has information about Student Rights and Code of Conduct. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a student's learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and notes that may be due.

Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person's work as one's own;
- The use of unauthorized aids in assignments or examinations (cheating);
- Collusion or the unauthorized collaboration with others in preparing work;
- The deliberate misrepresentation of qualifications;
- The willful distortion of results or data;
- Substitution in an examination by another person;
- Handing in the same unchanged work as submitted for another assignment; and
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work may not be graded until you show this signed certificate.

Specialized Supports

The Student Services department is committed to Keyano students and their academic success. There are a variety of student supports available at Keyano College. Due to the continuing situation

with the Covid-19 pandemic, the offered support services will be implemented differently this semester by being provided mostly virtually. In-person service can be requested as needed. All Alberta Health Services guidelines will be followed for in-person appointments—wear a mask, maintain two meters of physical distance, use hand sanitizer, and stay home if you are unwell.

All student services are available during Keyano business hours: Monday to Friday, 8h30-16h30. The Library has evening and weekend hours. Please check keyano.ca/library for current hours.

Accessibility Services: provides accommodations for students with disabilities. Students with documented disabilities, or who suspect a disability, can meet with a Learning Strategist to discuss their current learning barriers and possible accommodations. Students who have accessed accommodations in the past are encouraged to contact us to request them for the semester. Please note that requesting accommodations is a process and requires time to arrange. Contact us as soon as you know you may require accommodations. For accessibility services supports and to book a virtual appointment, please contact accessibility.services@keyano.ca.

Accessibility Services also provides individual and group learning strategy instruction for all students, as well as technology training and supports to enhance learning. Meet with a Learning Strategist to learn studying and test-taking strategies for online classes. Schedule an appointment with the Assistive Technology Specialist to explore technology tools for learning. Book an appointment today by emailing accessibility.services@keyano.ca

Academic Success Coaching: offers you support and access to resources for your academic success to help you to find the Keys to your Success. The Academic Success Coach will work with you to develop an academic success plan, develop your study and time management skills, and connect you with the right resources here at Keyano. Academic.success@keyano.ca is the best way to access resources during virtual service delivery.

Wellness Services: offers a caring, inclusive, and respectful environment where students can access free group and individual support to meet academic and life challenges. Mental Health Coordinators offer a safe and confidential environment to seek help with personal concerns. All individual appointments will continue virtually.

Computer Software

Students will be able to get access to Microsoft Office 365 for Free using Keyano Credentials by [clicking here](#).

Recording of lectures and Intellectual Property

Students may only record a lecture if explicit permission is provided by the instructor or by Accessibility Services. Even if students have permission to record a lecture or lecture materials,

students may not publish any of the lectures or lecture materials, this includes any recordings, slides, instructor notes, etc. on any platform. Thus no student is allowed to publish or sell instructor notes without formal written permission. It is important to recognize that the Canadian Copyright Act contains provisions for intellectual property.
