

## Primary Care Paramedic Program

Welcome to the Primary Care Paramedic (PCP) Program at Keyano College.

You have made a great choice in selecting Keyano College as the institution where you will obtain your PCP Certificate. At Keyano College, you will work with experienced faculty who are approachable, flexible, and extremely knowledgeable.

Before starting the PCP Program, there are some program requirements that you should be aware of. Each of the below requirements has a deadline to complete the requirement by. This is to ensure all requirements are completed in order to attend practicum:

1. **Health Services Appointment:** Please email [health.services@keyano.ca](mailto:health.services@keyano.ca) or [pam.mcpherson@keyano.ca](mailto:pam.mcpherson@keyano.ca) to make an appointment with the Nurse at Keyano College Health Services to discuss your immunizations and medical form. Please email Health Services as soon as you receive this letter and book an appointment prior to program start date.
2. **Immunization Records:** Please refer to the enclosed information from the College Nurse. In order to proceed to your practicum, students are expected to provide immunization records to Keyano College Health Services. If you do not have your immunization record, please contact your local Public Health unit to obtain your immunization record. Based on your immunization history, you may need to book immunization appointments. You are required to be vaccinated against Hepatitis B. Full protection requires a minimum three- dose regimen as per the manufacturer's recommendation. If you do not have at least one dose of this vaccine, please book an appointment at your local public health unit. In Fort McMurray, contact Public Health at 780.791.6247. Please inform the receptionist of what program you are in and why you need to book an appointment. You are expected to have at least one Hepatitis B immunization prior to the start of class. You must submit proof to the College Health Nurse, [pam.mcpherson@keyano.ca](mailto:pam.mcpherson@keyano.ca) .

3. **Health Assessment Form:** You are required to complete the enclosed health assessment form. Do not mail or email any medical requirement-related documentation to Keyano College. Please email the completed form to [pam.mcpherson@keyano.ca](mailto:pam.mcpherson@keyano.ca)
4. **Mask Fit Testing:** Mask fit testing must be completed prior to program entry at the student's expense. Mask Fit Testing must be repeated at minimum of every 2 years. If your face shape has changed, such as through a weight change of 10 lbs up or down, please complete another mask fit test. The mask fit certificate must be on file prior to program start. Please submit mask fit test to [pam.mcpherson@keyano.ca](mailto:pam.mcpherson@keyano.ca)
5. **Health Services Practicum Clearance:** All of the above requirements must be completed a minimum of 2 weeks prior to practicum start date in order to be considered cleared to attend practicum. If the above is not completed a minimum of 2 weeks prior to practicum start dates, you may not be able to attend practicum
6. **Police Information Check with Vulnerable Sector Check:** All students are required to provide a clear Police Information Check which must include a Vulnerable Sector Check. The Police Information Check must be dated no earlier than three (3) months from program start date. The associated costs are your responsibility. The original Criminal Record Check with Vulnerable Sector must be submitted in person to the Nursing & Allied Health Studies Department. Please take a photocopy, or scan a copy, for yourself prior to submitting the original to the Nursing & Allied Health Studies Department. The record check must be on file in the Nursing & Allied Health Studies Department a minimum of 2 weeks prior to practicum start date.
7. **Keyano Email, Teams and Moodle:** Please ensure you activate your Keyano College email and Moodle. Follow the directions located here: [Student Login and Email](#). Please ensure that you are checking your Keyano College email, Teams and Moodle course pages at least twice per day. All official Keyano College communication arrives to your Keyano College email. Your instructors will communicate with you through email, teams and Moodle. Please use your Keyano College email when sending communications to your instructors.

8. **AHS Student Orientation**: It is a requirement of Alberta Health Services (AHS) that all students must complete the AHS Student Orientation Certification located here: <https://www.albertahealthservices.ca/careers/Page12728.aspx> A copy of each certification in this webpage must be submitted in order to proceed to practicum. If you are not able to download or print a certificate, please take a picture of the completed certificate, and email it to [nursing@keyano.ca](mailto:nursing@keyano.ca) All components of the AHS student orientation must be completed, and certificates of completion submitted to [nursing@keyano.ca](mailto:nursing@keyano.ca) at a minimum of two weeks prior to practicum start dates.
  
9. **Heart & Stroke Provider BLS**: Please submit a copy of your current Heart & Stroke Provider BLS each year of the program. This is required to be able to attend practicums. **Only Heart & Stroke Provider BLS will be accepted**. Email certificate to [nursing@keyano.ca](mailto:nursing@keyano.ca)

**Confidential medical information should be submitted to Keyano on-campus Health Services ONLY**

Clinical or practicum placement agencies expect post-secondary students who are in practicum in facilities to be immunized in accordance with Alberta Health Services Immunization Program standard #08.302.

Information about vaccines and immunizations is available at <http://immunizealberta.ca>

Immunizations will:

- Reduce the transmission of vaccine preventable communicable diseases in health care facilities
- Reduce the morbidity and mortality related to vaccine preventable diseases

**IMMUNIZATIONS ARE DUE BEFORE YOUR FIRST PRACTICUM/PLACEMENT BEGINS**

Start gathering your documents as soon as you receive final admission to your program

If you are waitlisted, gather your documentation and begin updating your immunizations so that it is ready in the event of a short notice admission

**NOTE: Rubella** is a legislated vaccination under the Public Health Act's Communicable Disease Regulation (238/1985) for all health care workers. Students will **NOT** be cleared for practicum/placement without vaccination against Rubella

**DEFINITION:** Immunizations are a series of vaccination doses you may have received beginning when you were an infant and continuing throughout your life. These immunizations protect you and others from common communicable diseases.

You are responsible to ensure that you meet the recommended immunizations recommended by Alberta Health Services Immunization Program Standard #08.302 (revised June 1, 2017)

Specific immunizations and screening tests for health care students are strongly recommended by Alberta Health Services. Alberta Immunization Standards for Health Care Workers **are required** for participation in clinical/practicum placements

**FOR ALL STUDENTS (ACP, BScN, HCA, PCP, PN)**

- Gather all your immunization records from home and/or your healthcare provider or by registering and using My Health Alberta <https://myhealth.alberta.ca/myhealthrecords>
- Take a copy of your original immunization records to your local Public Health office. You may also want to take a copy of the "Immunization Requirements" from this package
- Book an appointment with Public Health to have your immunizations updated and completed. Tell them you are a Health Care Student with Keyano College
- Ask Public Health for a printout of any immunization records they may have in their database or an updated immunization record if you received immunizations during your appointment
- Submit a copy of your immunization records along with your signed "Health Services Consent to the Disclosure of Individually Identifying Health Information" form

- In all correspondence to the College Nurse - Health Services, always include your program of study, updated immunization information, and next appointment with Public Health. If this information is not included in your submission, it may delay processing of your immunization records and clinical clearance.
- After your immunizations are received, they will be reviewed by the College Nurse and you will be contacted via your Keyano email regarding your immunization and clinical clearance status
