

CHSD 101: Child Development I

3 credits, 3 hours per week

Understanding the development of children is the foundation for supporting children to be mighty learners and citizens. An exploration of the growth and development of the child from the prenatal period to the early childhood period is emphasized. Physical, cognitive, and social/emotional development will be examined through readings, simulations, discussion, projects, and observing and recording children's behaviour. An introduction to develop perspective on history, research and theories of child development will be explored.

Instructor

Instructor Name: Laura Niven
Office location: CC202A
Phone number: 780-791-4993
E-mail: laura.niven@keyano.ca

Office Hours:

Mon 4pm-6pm
Tues 4pm-6pm
Wed 3pm-4pm
Thurs 9am-10am
Fri 12pm-1pm
Or by appointment

Delivery Method and/or Hours of Instruction

Mondays 1:00pm-3:50pm
Room CC228

Required Resources

Understanding the Whole Child, Paris, J., Ricardo, A., and Rymond, D. This is an online text available at this link: <https://drive.google.com/file/d/1aSoF5pvCGpgiNjVSV9Pdqq1W2jOFZXZP/view>

Observing Young Children, Wylie, S. & Fenning, K. (6th Ed) - also available as an eBook

Flight: Alberta's Early Learning and Care Framework. Makovichuk, L., Hewes, J., Lirette, P., & Thomas, N. (2014). Available on flightframework.ca or printed at the bookstore.

Course Outcomes

Upon successful completion of this course, the student shall be able to:

1. Develop awareness of the development of young children from infancy to early childhood
2. Produce anecdotal records utilizing basic observation and recording skills
3. Construct inferences, supported by theory, using two types of observation
4. Summarize how the patterns of prenatal development and the birth process affect the developing child
5. Recognize the sequence of physical growth and development of young children from infancy to early childhood
6. Explain the pattern of social and emotional development of young children from infancy to early childhood
7. Distinguish the stages of cognitive development from infancy to early childhood
8. Describe the major theories and issues concerning physical, social/emotional, and cognitive development
9. Identify potential signs of mental health concerns in young children from infancy to early childhood
10. Discuss the significance of gender development in young children from infancy to early childhood

Evaluation

Assignment	Description	Course Outcomes	Value
Synchronous & Asynchronous Activities	The purpose of this assignment is to ensure you are completing course activities in a way that furthers your learning and growth in this course. The course activities are split into activities that completed in class, and discussion forums that are between you and your classmates.	All	20%
Infant/Toddler Observation	For this assignment, you will interview the parents of an infant or toddler, observe the child on two separate occasions, and complete two written anecdotal observations of the child. You will also seek 2 virtual and 1 community resource (such as a community program or organization) that could be provided as supports to expecting parents and/or parents of infants and toddlers – these resources are to be shared as a discussion post with a paragraph write-up per resource.	1, 2, 3, 4, 5, 6, 7, 8	20%
Physical Development Observation	For this assignment, you will observe and document the physical development of a child by completing checklists that assess fine and gross motor development. You will also seek 3 virtual and/or community resources that could be provided as references to parents of young children as their children physically develop from infancy to early years – these resources are to be shared as a discussion post with a paragraph write-up per resource.	1, 2, 3, 5, 8	20%
Emotional Observation	For this assignment, you will choose a child to observe and complete anecdotal observations and a three-page summary that references your observations and draws in your course work and other academic resources, placing particular emphasis on children's dispositions to learn, holistic play-based goals, Erikson's theory of development, and gender development.	1, 2, 3, 6, 7, 8, 10	20%
Mental Health Presentation	For this assignment, you can work individually or in 3-5 to compile a mock presentation board that could be hung in an early childhood setting to identify signs of mental health concerns from infancy to early childhood. The presentation board will also include resources for childhood mental health support, both locally and virtually. You will present your board via video submission on Moodle for your peers to view and respond to.	1, 6, 9	20%
Total			100%

A grade of C- is required for progression.

The minimum standard for passing this course is a grade of D (50%).

Grading System

Descriptor	Alpha Grade	4.0 Scale	Percent	Rubric for Letter Grades
Excellent	A+	4.0	> 92.9	Work shows in-depth and critical analysis, well developed ideas, creativity, excellent writing, clarity and proper format.
	A	4.0	85 – 92.9	
	A-	3.7	80 – 84.9	
Good	B+	3.3	77 – 79.9	Work is generally of high quality, well developed, well written, has clarity, and uses proper format.
	B	3.0	74 – 76.9	
	B-	2.7	70 – 73.9	
Satisfactory Progression	C+	2.3	67 – 69.9	Work has some developed ideas but needs more attention to clarity, style and formatting.
	C	2.0	64 – 66.9	
	C-	1.7	60 – 63.9	
Poor Minimum Pass	D+	1.3	55 – 59.9	Work is completed in a general way with minimal support or is poorly written or did not use proper format.
	D	1.0	50 – 54.9	
Failure	F	0.0	< 50	Responses fail to demonstrate appropriate understanding or are fundamentally incomplete.

Proposed Schedule

Module	Topic	Outcomes
1	Orientation, Introduction to Child Development and Issues in Development	1, 8
2	Developmental Theories	5, 6, 7, 8
3	Conception, Genetics, and Prenatal Development	1, 4
4	Birth and Newborn	1, 4, 5
5	What is Observation? Why do we observe? Practicing Observing	1, 2, 3
6	Physical, Social/Emotional, and Cognitive Development of Infants/Toddlers	1, 5, 6, 7
7	Anecdotal Observations and Inferences	1, 2, 3
8	Running Records, Checklists, and Observation Practice	1, 2, 3, 5, 6, 7
9	Physical, Social/Emotional, and Cognitive Development of Early Childhood	1, 5, 6, 7
10	Mental Health in Infancy to Early Childhood	1, 9
11	Gender Development and Understandings in Infancy to Early Childhood	1, 10
12	Course Wrap Up	

Please Note:

Date and time allotted to each topic is subject to change.

Performance Requirements and Student Services

Student Responsibilities

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the [Keyano College credit calendar](#). The Keyano College credit calendar also has information about Student Rights and Code of Conduct. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a student's learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and notes that may be due.

Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person's work as one's own;
- The use of unauthorized aids in assignments or examinations (cheating);
- Collusion or the unauthorized collaboration with others in preparing work;
- The deliberate misrepresentation of qualifications;
- The willful distortion of results or data;
- Substitution in an examination by another person;
- Handing in the same unchanged work as submitted for another assignment; and
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work may not be graded until you show this signed certificate.

Specialized Supports

The Student Services Department is committed to Keyano students and their academic success. There are a variety of student supports available at Keyano. Due to the continuing situation with the Covid-19 pandemic, the offered support services will be implemented through a model to respond to the restrictions in force at the time. In-person and virtual services will be offered. All Alberta Health Services guidelines will be followed for in-person appointments—wear a mask, maintain two meters of physical distance, use hand sanitizer, and stay home if you are unwell.

All student services are available during Keyano business hours: Monday to Friday, 8h30-16h30. The College is closed for statutory holidays. If you require support outside of regular business hours, please inform the support service team, and we will do our best to accommodate your needs.

Accessibility Services: provides accommodations for students with disabilities. Students with documented disabilities, or who suspect a disability, can meet with a Learning Strategist to discuss their current learning barriers and possible accommodations. Students who have accessed accommodations in the past are encouraged to contact us to request them for the semester. Please note that requesting accommodations is a process and requires time to arrange. Contact us as soon as you know you may require accommodations. For accessibility supports and to book an appointment, please contact accessibility.services@keyano.ca.

Accessibility Services also provides individual and group learning strategy instruction for all students, as well as technology training and supports to enhance learning. Meet with a Learning Strategist to learn studying and test-taking strategies for online classes. Schedule an appointment with the Assistive Technology Specialist to explore technology tools for learning. Book an appointment today by emailing accessibility.services@keyano.ca

Wellness Services: offers a caring, inclusive, and respectful environment where students can access free group and individual support to meet academic and life challenges. Mental Health Coordinators offer a safe and confidential environment to seek help with personal concerns. Students may access services virtually and in-person.

Wellness Services welcomes students to participate in any of the group sessions offered throughout the academic year addressing topics including mindfulness and test anxiety.

Individual appointments can be made by emailing wellness.services@keyano.ca.

Library Services: provides students with research and information supports as they engage in their studies. Library staff are available to support you both online and in-person throughout the semester. For a detailed list of library supports and services, go to www.keyano.ca/library. For all inquiries, please email askthelibrary@keyano.ca or chat with us online.

Begin your research with the [Library's FIND page](#). Search for information and sources for your assignments using the OneSearch, the Library's Catalogue, or by searching in a specific database selected from the [A-Z Database List](#).

Individual support with us is available. For support with citations, research and other information needs, appointments can be booked using the online [Book A Librarian Calendar](#). For support with Moodle, educational tools for assignments, Microsoft Office, Zoom, Teams and more, book an appointment using the online [Educational Technology Support Calendar](#).

Research and subject guides are helpful resources when beginning your research, assignment, using new educational technology, or addressing other information needs. To view a subject or course-specific guide, check out the complete listing of online [Subject Guides](#).

To access additional research resources, including Citation Guides (APA, MLA, Chicago, or IEEE), go to the [Research Help Library page](#).

The Loanable Technology collection is available to support students in their learning pursuits, whether online, in person or both. Items available for borrowing include mobile projectors, webcams, noise-cancelling headphones, Chromebooks, and laptops. For an up-to-date list of technology available for borrowing as well as support available, go to the Library's [Loanable Technology webpage](#).

Academic Success Centre: The Academic Success Centre is a learning space in the Clearwater Campus (CC-119) at Keyano College. Students can gather to share ideas, collaborate on projects, get new perspectives on learning from our Academic Content Specialists, or use the Centre's educational resources. The Academic Success Centre provides academic support services to students registered in credit programs at Keyano College in the form of individual tutoring, writing support groups, facilitated study groups, workshops, and study space. Services are **free** to Keyano students.

Academic Content Specialists are available in the areas of Math, Science, Human Services, and English/Humanities. This covers all courses offered at Keyano. The Academic Success Coach can also be found in the Academic Success Centre.

For the most up to date information on how to book a session, please view [the Keyano Academic Success Centre homepage](#).

Academic Integrity: The goal of the Academic Success Centre is to foster a student's ability to learn effectively and independently. Students registered at Keyano College are welcome to drop by the Centre to visit with any of our Academic Content Specialists to discuss their academic concerns.

Availability: Monday to Friday: 8:30 a.m. – 4:30 p.m. Flexible times may be available upon request. Virtual and in-person sessions, please email to get in contact with our Academic Content Specialists. For the most up to date information on how to book a session, please view the [Academic Success Centre homepage](#).

Academic Success Coach: offers you support and access to resources for your academic success to help you to find the Keys to your Success. The Academic Success Coach will work with you to develop an academic success plan, develop your study and time management skills, and connect you with the right resources here at Keyano. Academic.success@keyano.ca is the best way to access resources during blended service delivery. The Academic Success Coach is located in the Skill Centre in CC-119 at the Clearwater Campus.

E-Learning

Technology and internet will impact your online learning experience. It's important that you can watch an online video and other course materials, take online quizzes and participate in a live class with your instructor and other students. Live/virtual classes will be hosted in Microsoft Teams or Zoom.

For all course delivery types, you will access your course resources on Keyano's learning management system, **Moodle (iLearn)**. Login in using your [Keyano username and password](#).

Keyano College operates in a Windows based environment, and having the correct tools for online learning is important. Here's a list of recommended system requirements.

Internet Speed

Minimum Internet speeds of 10 Mbps.

Recommended Internet speeds of 25 Mbps (especially if you are sharing your internet at home).

Check your internet speed with Fast.com.

System requirements:

Microsoft Windows	Apple
<p>Minimum Requirements:</p> <p>A Windows 10 computer/laptop</p> <ul style="list-style-type: none"> · Minimum 4GB of RAM. · 10GB+ available hard drive storage. · Enough available hard drive space to install the Microsoft Office suite (approximately 3GB). <u>Microsoft Office</u> software is free to all Keyano students and employees. · Microphone, webcam and speakers. A headset with a microphone is recommended. · System updates must be regularly installed. · Anti-Virus / Anti-Malware software 	<p>Minimum Requirements:</p> <p>A Macintosh (V10.14 and above) computer/laptop</p> <ul style="list-style-type: none"> · Minimum 4GB of RAM. · 10GB+ available hard drive storage. · Enough available hard drive space to install the Microsoft Office suite (approximately 3GB). <u>Microsoft Office</u> software is free to all Keyano students and employees. · Microphone, webcam and speakers. <p>Recommended Requirements</p> <ul style="list-style-type: none"> · 8GB of RAM · A method of backing up/synchronizing to local or cloud-based storage such as OneDrive is highly recommended. This is included if you complete the setup of KeyanoMail and download MS Office using your Keyano email for free. 	<p>Recommended Requirements</p> <ul style="list-style-type: none"> · 8GB of RAM · A method of backing up/synchronizing to local or cloud-based storage such as OneDrive is highly recommended. This is included if you complete the setup of KeyanoMail and download MS Office using your Keyano email for free.
<p>Chromebooks are not recommended as they are not compatible with testing lockdown browsers.</p> <p>A Microsoft Surface or iPad or iPad Pro may be possible alternatives in some program areas.</p>	

Specific Department Requirements:

Business and OA programs require Windows 10.
Other programs may utilize Windows based tools as well.

Computer Software

Students will be able to get access to Microsoft Office 365 for free using Keyano credentials by [clicking here](#).

Recording of Lectures and Intellectual Property

Students may only record a lecture if explicit permission is provided by the instructor or by Accessibility Services. Even if students have permission to record a lecture or lecture materials, students may not share, distribute, or publish any of the lectures or course materials, this includes any recordings, slides, instructor notes, etc. on any platform. Thus no student is allowed to share, distribute, publish or sell course related content (instructor, or students) without permission. It is important to recognize that the Canadian Copyright Act contains provisions for intellectual property.

The [Academic Integrity Policy](#) provides additional information on Keyano College's expectations from students as members of the intellectual community.

ITS Helpdesk

If you are having issues with your student account, you can contact the ITS Helpdesk by emailing its.helpdesk@keyano.ca or calling 780-791-4965.
