

First Period Technical Training

- Steamfitter-Pipefitter -

(8 Weeks @ 30 Hours per Week = 240 hours)

Instructor(s):

Darren Stacey

Chair, Metal Trades

780-792-2675

Darren.Stacey@keyano.ca

Brent Hydomako

Instructor, Steamfitter-Pipefitter

780-791-4891

Brent.Hydomako@keyano.ca

Shawn McCurdy

Instructor, Steamfitter-Pipefitter

780-791-4857

Shawn.Mccurdy@keyano.ca

Office Hours;

Monday through Friday: 8:00 a.m. – 4:00 p.m.

780-791-4881

Required Textbooks: (available at Keyano College Bookstore approximately 2 weeks prior to start date)

First Period Steamfitter-Pipefitter Apprenticeship ILMs and 1st Year Keyano College hand-out package

Alberta Learning

Edmonton: Author, 1998–, SKU 2000308

IPT Pipe trades manual: Keyano college bookstore

Steamfitter-Pipefitter Program Supplies (Required for all periods):

- Binders for ILMs
- Lined paper or notebook
- High quality compass set
- Pens, pencils, erasers
- Calculator (with no programmable memory; Casio FX 260 is recommended)
- Tape measure
- Fire resistant coveralls and/or cotton denim jeans/jacket and welding cap or beanie
- Gauntlet type welding gloves
- Welding shield
- Welding helmet with #10 lens and cutting goggles or face shield with #5 lens
- Chipping hammer, tip cleaners, wire brush, striker
- Vise grips (C Clamp Style)
- Ankle high CSA Approved safety boots and non-tinted safety glasses with side shields
- Although classes are scheduled in person, we ask that all students are prepared with the technology required for virtual classes (online) should it become necessary; Computer/laptop, microphone, camera and internet access.

Course Description:

In the First Period Technical Training you will learn about:

1. Workplace Safety and Rigging
2. Tools, Equipment and Materials
3. Metal Fabrication
4. Drawings & Specifications
5. Calculations and Science

Learning Outcomes

Upon successful completion of Section One – *Workplace Safety and Rigging* – you will be able to:

1. Apply legislation, regulations and practices ensuring safe work in this trade.
2. Use industry standard practices for climbing, lifting, rigging and hoisting in this trade.
3. Apply industry standard practices for hazardous materials and fire protection in this trade.
4. Manage an apprenticeship to earn journeyman certification.
5. Use codes and standards that are applied in the pipe trades.
6. Apply arc flash safety and lockout and tagout on a jobsite.

Upon successful completion of Section Two – *Tools Equipment and Materials* – you will be able to:

1. Use hand tools common to the pipe trades.
2. Use power tools common to the pipe trades.
3. Construct welded and flanged piping system components.
4. Construct plastic piping and tubing systems.
5. Construct threaded and grooved piping system components.
6. Construct tube and tubing system components.
7. Install valves in piping systems.
8. Install hangers, supports and fasteners for piping systems.
9. Pressure test a piping system.
10. Describe pumps for piping systems.

Upon successful completion of Section Three – *Metal Fabrication* – you will be able to:

1. Apply safe work practices according to Occupational Health and Safety Act (OHS) legislation.
2. Use oxy-fuel and arc welding equipment.
3. Braze and solder metal alloys.

Upon successful completion of Section Four – *Drawings and Specifications* – you will be able to:

1. Apply sketching and drawing concepts.
2. Develop single line pipe drawings.
3. Interpret drawings.

Upon successful completion of Section Five – *Calculations and Science* – you will be able to:

1. Apply calculations using both metric and imperial measurements.
2. Solve math problems involving perimeter, areas, percentage and grade.
3. Calculate volumetric capacities for tanks and cylinders.
4. Calculate 45° and 90° offsets for piping systems.
5. Calculate mass, volumes, densities and relative densities.
6. Calculate pressures in metric and imperial values.
7. Perform electrical calculations.

Schedule

A detailed daily class / shop schedule will be handed out on the first day of each intake.

Grading

Apprentices must successfully meet three criteria to pass technical training.

1. Minimum 65% Theory Component (cumulative weighted average)
2. Minimum 65% on each Practical Component
3. Minimum 50% on every section of study.

Workplace Safety and Rigging	10%
Tools, Equipment and Materials	38%
Metal Fabrication	19%
Drawings and Specifications	13%
Calculations and Science	20%
Total Theory Component	100%
Lab/Shop	100%
Total Practical Component	100%

E-Learning

Technology and internet will impact your online learning experience. It's important that you are able to watch an online video and other course materials, take online quizzes, and participant in a live class with your instructor and other students.

Keyano College operates in a Windows based environment and having the correct tools for online learning is important. Here's a list of recommended system requirements for Fall 2020.

Internet Speed

Minimum Internet speeds of 5 Mbps.

Recommended Internet speeds of 25 Mbps (especially if you are sharing your internet at home). Check your internet speed with Fast.com.

System requirements:

Microsoft Windows	Apple
<p>Minimum Requirements:</p> <p>A Windows 10 computer/laptop</p> <ul style="list-style-type: none"> · Minimum 4GB of RAM. · 10GB+ available hard drive storage. · Enough available hard drive space to install the Microsoft Office suite (approximately 3GB). Microsoft Office software is free to all Keyano students and employees. · Microphone, webcam and speakers. A headset with a microphone is recommended. · System updates must be regularly installed. · Anti-Virus / Anti-Malware software 	<p>Minimum Requirements:</p> <p>A Macintosh (V10.14 and above) computer/laptop</p> <ul style="list-style-type: none"> · Minimum 4GB of RAM. · 10GB+ available hard drive storage. · Enough available hard drive space to install the Microsoft Office suite (approximately 3GB). Microsoft Office software is free to all Keyano students and employees. · Microphone, webcam and speakers. A headset with a microphone is recommended. · System updates must be regularly installed. · Anti-Virus / Anti-Malware software.
<p>Recommended Requirements</p> <ul style="list-style-type: none"> · 8GB of RAM · A method of backing up/synchronizing to local or cloud-based storage such as OneDrive is highly recommended. This is included if you complete the setup of KeyanoMail and download MS Office using your Keyano email for free. 	<p>Recommended Requirements</p> <ul style="list-style-type: none"> · 8GB of RAM · A method of backing up/synchronizing to local or cloud-based storage such as OneDrive is highly recommended. This is included if you complete the setup of KeyanoMail and download MS Office using your Keyano email for free.
<p>Chromebooks are not recommended as they are not compatible with testing lockdown browsers.</p> <p>A Microsoft Surface or iPad or iPad Pro may be possible alternatives in some program areas.</p>	

Specific department requirements:

Business and OA programs require Windows 10.

Other programs may utilize Windows based tools as well.

Computer Software

Students will be able to get access to Microsoft Office 365 for Free using Keyano Credentials by [clicking here](#).

Recording of lectures and Intellectual Property

Students may only record a lecture if explicit permission is provided by the instructor or by Accessibility Services. Even if students have permission to record a lecture or lecture materials, students may not publish any of the lectures or lecture materials, this includes any recordings, slides, instructor notes, etc. on any platform. Thus no student is allowed to publish or sell instructor notes without formal written permission. It is important to recognize that the Canadian Copyright Act contains provisions for intellectual property.

ITS Helpdesk

If you are having issues with your student account, you can contact the ITS Helpdesk by emailing its.helpdesk@keyano.ca or calling 780-791-4965.

Important Phone Numbers

- **Nancy Nicholle, Administrative Assistant** **780-791-4881**
Call Nancy if you are going to be absent from class or have any general questions or concerns.

- **Darren Stacey, Metal Trades Chair** **780-792-2675**
Call Darren if you have any concerns with class work, instructors, or if you require any type of academic accommodations.

Call your instructor if you need information about class work, schedules or if you need extra help to learn the material.

- **Mark Power, Alberta AIT** **780-743-7181**
Call Mark if you have questions about attendance, apprenticeship, or your employer.

- **Security** **780-791-7911**
Call security if you feel threatened while on campus, to report a fire, if you need a door unlocked, or for parking issues.

- **Office of the Registrar**
 - **Registration Assistants** **780-791-4801**
Call this office if you have questions about fees/tuition or class availability.

- **Student Life Calendar** <https://calendar.keyano.ca/student/>
Refer to the Student Life calendar for events and important dates for students.

IMPORTANT NOTICE

Information Regarding Fees and Procedures

If the address listed on your fee assessment sheets is different from your current address, or if your address changes anytime during the duration of your program, please go to the Student Services Centre and fill out the “Change of Address” form as Keyano College requires a current address for you at all times.

Your Student ID cards are available for pick up in the Office of the Registrar. Please have your Student ID # and photo identification available. Apprentices are required to pick up a new Student ID card every Academic Year.

For information on Awards/Bursaries, please contact the Student Services Center either in person or by phone at (780) 791-4894.

Keyano College is a paid parking facility. Parking passes can be purchased through the **Honk Mobile App**. Current rates can be found at: <https://www.keyano.ca/en/about-us/parking.aspx>

When parking, please be mindful of designated areas (“Reserved”, “Metered”, etc.) Unreserved, General Parking is available in lots A, B, E and F. Lots C and D are reserved staff parking. If you park in a reserved spot, you can be ticketed even if you have a hang tag or daily pass. Please see the campus map for locations of the parking lots.

Please Note:

- It is now your responsibility to submit your E.I. forms on your own time. (HRDC no longer comes to the college)
- You can submit your registration on-line
<http://www100.hrdcdrhc.gc.ca/ae-ei/dem-app/english/home2.html>
- Or link from <http://www.servicecanada.gov.ca>
