<b>Participation</b>	<b>5%</b>	n/a	n/a

*A grade of C- is required for progression or transfer.*

Note that ENGL 103 has NO final exam. The final grade is based entirely upon course work.

The **Participation** grade includes attendance but does not stop there; you also need to be on time, remain for the duration of the class, and contribute relevant comments in the class and during group work. In addition, you will have read the books or articles assigned for the class, be able to respond to questions about them, and be a co-operative, engaged, and supportive member of the learning community.

**Informal Writing** will be done in class. Throughout the course, you will complete a total of twelve informal writing assignments. Informal writing may involve responding to questions in paragraph form in class; researching and writing responses to questions outside class; or writing a personal or creative response to an assigned reading. I will respond to the informal writing as Satisfactory or Unsatisfactory, and at the end of the term, I will count ten of the twelve in your grade.

**Assignments** must be submitted by 11:59 p.m. on the due date. Assignments handed in on the following day will be graded without additional comments and will also lose 10% up to 11:59 p.m., when they will be REFUSED. If you want an extension, ask at least **two days in advance of the due date**. Computer failure is seldom an acceptable reason for granting an extension, and a conflict of deadlines is NEVER an acceptable reason.

Assignments must be typed in 12-pt Times New Roman, double spaced, and submitted with proper MLA documentation. Be sure to keep a copy of any essay that you hand in. All assignments will be submitted to the appropriate drop box on Moodle. Do NOT e-mail your assignments.

**Students who do not complete all the required work should not expect to pass the course.**

## Performance Requirements and Student Services

### Student Responsibilities

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the [Keyano College credit calendar](#). The Keyano College credit calendar also has information about Student Rights and Code of Conduct. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

### Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a student's learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and notes that may be due.

### Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person's work as one's own;
- The use of unauthorized aids in assignments or examinations (cheating);
- Collusion or the unauthorized collaboration with others in preparing work;
- The deliberate misrepresentation of qualifications;
- The willful distortion of results or data;
- Substitution in an examination by another person;
- Handing in the same unchanged work as submitted for another assignment; and
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, [you must successfully complete the online tutorial found on \[ilearn.keyano.ca\]\(http://ilearn.keyano.ca\). Then print the certificate, sign it, and show it to each of your instructors.](#) Your course work may not be graded until you show this signed certificate.
