

ENGLISH LANGUAGE PROFICIENCY

English is the primary language of instruction at Keyano College. English Language Proficiency is sufficient if applicants can present the successful completion of three or more years of full-time education in English, normally including the grade 12 year or higher, in a Canadian school (or an approved school outside of Canada with accepted English proficiency). If an applicant does not present these years of English education, they may be able to meet this requirement in other ways.

Please note that this applies to ALL programs except College and Career Preparation.

Keyano College reserves the right to use discretion in determining adequate levels of language proficiency to ensure success in academic programs.

How can I show that I've met the requirements?	Keyano College will accept one of the following:	Details and conditions

Previous Education in English (See Notes 1, 2, 3, 5)	Three full years of education in English in Canada or the equivalent in another country where English is the principal language.	Such education must include Alberta Grade 12 or its equivalent level, and can be a combination of secondary and post-secondary education.

The level of English proficiency required for graduation must be equivalent to that in English language schools/institutions in Canada.

Note 1: Enrollment in English as an Additional Language (EAL) courses or programs will not be included in the calculation of three years of full-time study. Enrollment must be in a regular high school or post-secondary institution for a credit program. Where students are registered in both EAL and regular programs, the EAL hours will be deducted from the total educational hours.

Note 2: Proof of three years of education must be submitted in the form of official transcripts (including details on course enrollment and hours of instruction).

Note 3: Failing grades/courses will not be counted when calculating full-time attendance. Only courses with passing grades will be considered.

Note 4: Standardized test results must be issued directly from the testing office. Photocopies will not be accepted. Test scores must be valid and verifiable.

Note 5: For a list of countries and institutions that are recognized as having met Keyano College's English Language Proficiency requirement, please see page 15.

Note 6: In countries where alpha-grades are further defined by numerical grades, a minimum grade of 3 is required to meet ELP (for example: a grade of B3).

All documents for the intended purpose of demonstrating English Language Proficiency must be official and sent directly to Keyano College, Office of the Registrar, Admissions Unit, from the issuing institution(s). Please note that test scores must have been written within two years prior to the start date of the program desired.

Spoken Language Proficiency

Applicants to the Health Sciences and Teaching programs (Bachelor of Science in Nursing, Practical Nurse, Pre-Medicine, Pre-Pharmacy, Bachelor of Education)

In addition to demonstrating English Language Proficiency, applicants whose first language is not English, regardless of country of origin, or citizenship must also present Spoken Language Proficiency. Applicants who have six or more years of full-time education in English, normally including the grade 12 year or higher, in a Canadian school (or an approved school outside of Canada with accepted English proficiency) meet this requirement. If applicants do not present these years of English education, they may be able to meet this requirement by presenting at least the minimum score in the Speaking band of the TOEFL: iBT as outlined in specific program requirements.

In addition to meeting English Language and Spoken English requirements (where required), applicants must also present the appropriate coursework to meet the admission requirements for their program.
