

INTRODUCTION

WELCOME TO KEYANO COLLEGE!

Based in Fort McMurray, Alberta, Keyano is the home of higher education throughout the Regional Municipality of Wood Buffalo. Opening its doors in 1965 as an Alberta Vocational Centre, and later taking the name Keyano, the institution transformed into the area's first, and only, Community College.

The word Keyano comes from the Cree language and loosely translates as 'sharing', which stays true to the College's mission of providing local access to education. Since officially becoming a college in 1978, Keyano has grown to become a modern series of buildings on three campuses, and four learning centres, serving thousands of students annually.

Keyano College offers certificates and diplomas, university transfers, apprenticeships, academic upgrading and, through collaboration with other post-secondary institutions, degree completion options. Keyano's comprehensive program offerings include arts, science, business, education, environmental science, power engineering, health, engineering technologies, human services, humanities, trades, transportation, heavy equipment operations and industrial training. The College provides relevant, practical, flexible and affordable workforce development including continuing education and customized corporate training.

As a Comprehensive Community Institution responsible for regional stewardship, Keyano College collaborates with post-secondary educational institutions, community adult learning providers, business, industry, school districts, Aboriginal communities, and other organizations to ensure access to a broad spectrum of learning opportunities.

Keyano's faculty and staff are engaged in professional development, scholarly activity and applied research for the purpose of enhancing expertise and increasing knowledge that will facilitate a high-quality learning experience through improved programs and services.

The College continues to be a major hub of the community through the Keyano Theatre & Arts Centre, the Syncrude Sport & Wellness Centre, the Keyano College Library, as well as through the College's involvement in various community projects.

MISSION STATEMENT

Keyano College is a comprehensive college of choice that is committed to excellence in teaching and learning, industry training and applied research through the delivery of relevant and sustainable programs and services that maximize opportunities for our students, staff and stakeholders, and that enable Keyano to engage in community leadership.

LOCATION

Two campuses are located in Fort McMurray, Alberta: the Clearwater Campus (the main campus) and the Suncor Energy Industrial Campus. A third campus is located in Fort Chipewyan, approximately 280 kilometres north of Fort McMurray. Four regional learning centres are located in the rural hamlets of Conklin, Janvier, Fort McKay, and Gregoire Lake.

SCHOOL COLOURS

Blue and White.

MASCOT

King, a grey and white Husky dog.

ATHLETICS

Keyano College is a member of the Alberta Colleges Athletic Conference (ACAC). The Keyano College Huskies men's and women's teams compete in a variety of sports on the provincial level, including volleyball, soccer, basketball, and futsal.

A BIT ABOUT THE AREA

The Regional Municipality of Wood Buffalo (RMWB) stretches over the northeast corner of Alberta, bordering Saskatchewan and the Northwest Territories while covering 63,637 square kilometres. There are 10 communities within the RMWB, the largest of which is Fort McMurray. Regionally, the population is around 88,000. Fort McMurray is approximately 450 kilometres northeast of Edmonton, Alberta.

The region is known worldwide for being the home of the oil sands, while the energy industry is the major employer in the area, directly and indirectly.

Fort McMurray offers many recreational activities connected to its beautiful natural environment. The community is surrounded by boreal forest and the Athabasca, Clearwater, House, Hangingstone and Horse Rivers. There is an extensive 130-kilometre trail system for running, walking, and biking in the summer, and cross-country skiing in the winter.

Attractions in the area include the Keyano Theatre & Arts Centre, Syncrude Sport & Wellness Centre, the Oil Sands Discovery Centre, MacDonald Island Park, Heritage Park, Marine Park Museum, the Oil Sands Lookout Point, and just south of Fort McMurray, Gregoire Lake Provincial Park.

Seasonal temperatures range anywhere from about 0 to -35 degrees Celsius in the winter, to 12 to 32 degrees Celsius in the summer.
