

APPLICATION PROCEDURES

To be admitted to Keyano College, applicants must meet the general requirements outlined below, as well as the specific requirements for the program to which they are applying. Specific admission requirements are listed with each program section of this calendar.

For most programs, applicants are accepted on a first qualified, first served basis once their application and supporting transcripts/documents have been received. For programs with an enrollment limit, the College reserves the right to employ academic rating scales for admission purposes.

Students currently enrolled in Grade 12 will be considered for conditional admission on the basis of marks received to date and list of current enrollment.

For admission purposes at Keyano College, the G.E.D. is not considered a high school equivalent diploma.
