

COVID-19

HOUSING RESPONSE GUIDE

THINGS YOU NEED TO DO:

- COLLABORATE** WITH Campus Safety to isolate the student
- CONDUCT** duties over the phone as much as possible
- ENSURE** EVERYONE including roommates wear a mask
- ASK** resident to prepare a COVID Grab 'n Go kit and prepare to move to an isolation unit
- REMIND** resident to NOT use public transportation including bus system when travelling for COVID test (Personal car is best)
- REMIND RESIDENT** to **REMEMBER & RECORD** names and contact information (email, phone) of all recent *close-contact
- CHECK** their door is LOCKED after resident is moved to an isolation unit by Campus Security

COVID-19 TEST RESULTS

POSITIVE

STAY IN YOUR ISOLATION ROOM, MUST NOT LEAVE OR GO OUT.

Alberta Health Services may contact you for further public health guidance

Keyano Health Services will follow up with you

NEGATIVE

STAY IN ISOLATION.

Keyano Health Services will provide clearance to return to residence room

** Close-contact is defined as an exposure for at least 15 minutes, within 6 feet or less, without both parties being properly masked*
