

PROCEDURE IF A STUDENT BECOMES SICK WHILE AT KEYANO

STEP ONE

STUDENT SHOULD LEAVE the classroom, lab or workspace immediately if they are well enough. *

STEP TWO

Instruct student to **PERFORM HAND HYGIENE** and **AVOID CONTACT** with others or the environment.

STEP THREE

CLEAN AND DISINFECT AREAS AND SURFACES that the student was in contact with or close to (within two meters). **

STEP FOUR

Once at home, the student must **COMPLETE THE AHS COVID-19 SELF-ASSESSMENT** and follow their recommendations.

STEP FIVE

STUDENT SHOULD INFORM their supervisor, instructor or, if in residence, their Residence Life Advisor and Health Services of their absence. ***

STEP SIX

Student should attempt to **IDENTIFY A LIST OF PEOPLE** with whom they were in close contact. ****

STEP SEVEN

Students will **REMAIN OFF CAMPUS** until cleared to return in accordance with self-assessment or testing results (based on AHS isolation requirements).

* *The student must wear a mask while leaving the premises and/or while waiting for transportation. If the student needs to wait for transportation, they may stay indoors while maintaining a 2- metre physical distance from others.*

** *Instructor or lab aide or Keyano Employee would contact Facilities to arrange for cleaning and disinfecting of the work area, 780.791.4842 or Facilitiesandassetmanagement@keyano.ca College common areas can be cleaned by Facilities through submission of a request.*

*** *Student is at a practicum workplace must follow the employers COVID-19 process.*

*** *If Positive COVID-19 test, a need for contact tracing (within 2 meters without physical barrier or without PPE) is required.*
