

COVID-19

STUDENT RESPONSE GUIDE

THINGS YOU NEED TO DO:

- PREPARE** your COVID Grab 'n Go Kit and prepare to move to an isolation room
- DO NOT USE** public transportation including bus system
If using a taxi, inform Housing that you are leaving your room for a medical appointment and inform the taxi company that you have COVID symptoms. You and the taxi driver must wear masks and sanitize/clean hands
- REMEMBER & RECORD** names and contacts information (email & phone) of all recent close- contacts*
- LOCK** your bedroom door when you leave to isolation unit

COVID-19 TEST RESULTS

POSITIVE

STAY IN YOUR ISOLATION ROOM, DO NOT LEAVE OR GO OUT.

Notify Housing Services

Alberta Health Services may contact you for further public health guidance

Keyano Health Services will follow up with you

NEGATIVE

ADVISE HOUSING SERVICES.

STAY IN ISOLATION until Housing Services tells you to return to your residence room

* Close-contact is defined as an exposure for at least 15 minutes, within 6 feet or less, without both parties being properly masked
