Evaluation
Assignments 30%
Discussions 10%
Quizzes 10%
Midterm Exam 25%
Final Exam 25%
Total 100%
Assignments: The Process Blog and Final Post. The assignment consists of two parts. The first is a four-part Process Blog, worth 15% of your assignment mark, and the second is the Final Post worth the other 15%. Blog posts will be completed roughly every two weeks and highlight the work you’re doing to explore a research topic, while the Final Post is more like a final paper in that it presents your position on that topic in a clear and fully developed manner.

The purpose of this assignment is to connect the historical material we cover in this class to a relevant contemporary context. Put another way, you will answer the question of how do historical works impact contemporary art, culture and politics? NB: The assignment sheet contains the full details.

Bi-weekly Quiz: These mandatory quizzes are intended to ensure students are keeping up with weekly readings and other class related activities (ie: watching videos, etc.). As such, there are unlimited attempts to complete the quiz successfully and all quizzes are open book. Only the highest grade will be kept. There will be 5 quizzes throughout the semester. The quiz is only active until 11:59pm on the Thursday of each week where a quiz appears (ie: week 1 runs September 5 – 11, so a quiz for that week would be active until 11:59pm on Thursday, September 11).

Discussions: Like the quizzes, participation in online discussions is mandatory. These discussions are a way for you to develop your critical thinking skills, and reflect upon the content in this class. The instructor will provide you with a prompt or question to initiate the discussion for 5 of these, and it is your responsibility to participate in the conversation along with your peers. You will be graded on your ability to demonstrate engagement with the discussion, which includes responding to your peers in a respectful manner. Please see the “Rubric for Grading Online Discussions” for specific criteria.

Midterm and Final Exams: Both the midterm and final exams will be administered at Keyano College. As such, students are required to be on campus to take their exams.

A grade of C- is required for progression or transfer.

Performance Requirements

Student Responsibilities

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the Keyano College credit calendar.

More specific details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

Laboratory Safety

In the science laboratories, safety is important.

Students must complete the \textit{WHMIS for Students} online training course on Moodle before entering the science laboratories.

Students must comply with the mandatory laboratory safety rules for this course as provided in the laboratory manual. Failure to do so will result in progressive discipline such as a verbal warning, refused entry into the laboratory, or suspension from the College.

Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a students’ learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and / or notes that may be due.
Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person’s work as one’s own
- The use of unauthorized aids in assignments or examinations (cheating)
- Collusion or the unauthorized collaboration with others in preparing work
- The deliberate misrepresentation of qualifications
- The willful distortion of results or data
- Substitution in an examination by another person
- Handing in the same unchanged work as submitted for another assignment
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work will not be graded until you show this signed certificate.
