BUS 101E, Report Writing and Presentations
Three credits/16 weeks/ 4 hours lecture

Business students can improve their skills in two specific areas: research strategies and report writing; and design and delivery of business presentations. The writing component of the course covers a broad spectrum of business documents, from short informal reports to formal reports and proposals. The oral communication component of the course introduces students to speeches designed for a variety of business purposes. Three specific presentations are required: a demonstration speech, an informative speech based on the formal report topic and a persuasive presentation. Students also are required to analyze business communication problems in groups and to present the cases.

Performance Requirements

1. **Student Attendance**

   Class attendance is useful for two reasons. First, class attendance maximizes students’ learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

   It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and/or notes that may be due.

2. **Academic Misconduct**

   Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:
   - Plagiarism or the submission of another person’s work as one’s own
   - The use of unauthorized aids in assignments or examinations (cheating)
   - Collusion or the unauthorized collaboration with others in preparing work
   - The deliberate misrepresentation of qualifications
   - The willful distortion of results or data
   - Substitution in an examination by another person
   - Handing in the same unchanged work as submitted for another assignment
   - Breach of confidentiality.

   The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Student Code of Conduct section of the Keyano College 2015-2016 credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

   In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found at [http://ilearn.keyano.ca/](http://ilearn.keyano.ca/). Then print the certificate, sign it, and show it to your instructor. Your course work will not be graded until you show this signed certificate.

3. **Specialized Supports**

   **Counselling and Disability Services**
   Counselling Services provides a wide range of specialized counselling services to prospective and registered students, including personal, career and academic counselling.

   **SKILL Centre**
   The SKILL Centre is a learning space in the Clearwater Campus at Keyano College where students can gather to share ideas, collaborate on projects and get new perspectives on learning from our tutorial staff.

   The SKILL Centre, through a variety of delivery methods, provides assistance in skill development to Keyano students. Assistance is provided by instructors, staff and student tutors. Individuals wishing to improve their mathematics, writing, grammar, study, or other skills, can take advantage of this unique service.
