Performance Requirements
CLASS POLICIES (Please also refer to pages 27 through 31 of the Credit Calendar)

1. **Cellular Phones** are a distraction to both your fellow students and the class instructor. All cellular phones are to be turned off, or at minimum set on silent mode prior to the beginning of class time.

   If a student is observed using a cellular phone at any time during class, i.e. sending or reading text messages, they will be asked to leave the classroom for the remainder of class time.

2. **Class attendance** is useful for two reasons. First, class attendance maximizes a students’ learning experience. Second, attending class is a good way to keep informed of matters relating the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

   It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and / or notes that may be due.

3. **Academic Misconduct Students** are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:
   - Plagiarism or the submission of another person's work as one's own
   - The use of unauthorized aids in assignments or examinations (cheating)
   - Collusion or the unauthorized collaboration with others in preparing work
   - The deliberate misrepresentation of qualifications
   - The wilful distortion of results or data
   - Substitution in an examination by another person

   Penalties for academic offences may range from a verbal reprimand to dismissal from the College, and in certain circumstances may involve legal action.

4. **Accommodation for Students with Disabilities** - The College will provide reasonable accommodation to students with disabilities in order to promote academic success. If you require accommodation, contact the Learner Assistance Program Office at 792-5608 to initiate the process for documenting, assessing, and implementing your individual accommodation needs. In addition, tutoring services are available at the SKILL Centre (Room 119)
5. **Success Criteria** - To receive a passing grade (a grade score of D or higher) in this class, a total mark of 50% (on all work) and a weighted average mark of at least 50% on the examinations must be attained. That is, you must satisfy both final class mark and exam mark requirements to receive a passing grade. Failure to meet either of these criteria will result in a maximum grade of F.
