Course Description:
This course provides a weekly forum to support and debrief practicum experiences and explore the integration of theory with practice. The types of early childhood programs, the legislation governing those programs and the responsibilities and ethical behavior of early childhood professionals will be discussed. Students will be introduced to resource files as a method of organizing professional information and curriculum ideas.
1 credit, 15 weeks, 15 hours

The co-requisite for this course is EA 110

Required Resources:

Practicum Workbook (REPROPACK)
Course Outcomes:
At the completion of the course, students will be able to:

- Recognize and demonstrate the professional attitudes and behavior required for a successful practicum experience.
- Discuss and analyze the components of the practicum experience.
- Become familiar with the Alberta Program of Studies and develop skills and knowledge in adapting educational curriculum to meet the specific needs of students.
- Recognize and display an active understanding of the role of the Educational Assistant within a multidisciplinary team.

Evaluation:
Seminar (EA 125) is evaluated on a pass or fail basis. A student must succeed in both Practicum I (EA 110) and Practicum Seminar I (EA 125) in order to receive a passing grade in both.

Performance Requirements:
Group participation is a major component of the seminar; therefore regular attendance is required. Attendance of less than 80% without confirmation of extenuating circumstances and arrangements to address missed practicum content in an alternate way will result in a failing grade.

Important - Please note: A complete practicum book is necessary to achieve a passing grade. An incomplete book will result in failing practicum and thus a failing grade in practicum seminar.
