• Examine observed practice in the Early Childhood field for congruence with developmentally
  appropriate practice and personal belief.

Evaluation
Seminar (ELCC 225) is evaluated on a pass or fail basis. A student must succeed in both Practicum I
(ELCC 210) and Practicum Seminar I (ELCC 225) in order to receive a passing grade in both.

Performance Requirements:
Group participation is a major component of the seminar; therefore **regular attendance is required.** Attendance of less than 80% without confirmation of extenuating circumstances and arrangements to address missed practicum content in an alternate way will result in a failing grade.

**Important - Please note:** A complete practicum book is necessary to achieve a passing grade. An incomplete book will result in failing practicum and thus a failing grade in practicum seminar.

**Practicum courses are a PASS/FAIL course.**

**Performance Requirements**

**Student Attendance**

Class attendance is useful for two reasons. First, class attendance maximizes a student’s learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.
It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and/or notes that may be due.

Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person’s work as one’s own
- The use of unauthorized aids in assignments or examinations (cheating)
- Collusion or the unauthorized collaboration with others in preparing work
- The deliberate misrepresentation of qualifications
- The willful distortion of results or data
- Substitution in an examination by another person
- Handing in the same unchanged work as submitted for another assignment
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Student Code of Conduct section of the Keyano College 2015-2016 credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.
