Evaluation

Response Essays	20%
Critical Review	20%
Research Essay	30%
Final Exam	30%
Total	100%

A grade of C- is required for progression or transfer.

Response Essay

Students are required to complete a series of 4 short essays of 2-3 pages each in which they explore that week's reading in greater detail. Response papers are to be written about the readings in advance of classroom discussion. These essays should advance an argument about the text. These four essays are to be written at your discretion throughout the semester, however, only one paper can be submitted at a time and at least one response essay must be submitted by the week of Feb. 18. Marked out of 5; handed in at the beginning of the first class of the week.

Research Essay

For this assignment, you will be expected to write a detailed, well researched, thesis driven essay on a text or texts from the course. This essay should demonstrate your mastery of the text(s), your ability to effectively integrate your research into your writing, a familiarity with the current critical discourses surrounding your topic, and your ability to write at the university level. This assignment will conform to MLA guidelines for research papers.. Length: 8-10 pgs.

Critical Review

Each student will be responsible for a video or digital presentation wherein you will address one of the texts from the list provided on moodle. The texts represent a mixture of critical and creative work, and some texts are bundled together due to length or complexity. The student will be expected to summarize the major points of the texts—argument, plot, etc—and subsequently offer a critical evaluation of the text. Please refer to the provided examples of critical reviews as a further guideline. Videos will be between 10 and 15 minutes in length and should be submitted as a playable movie file (MP4, AVI, MPEG or MOV) via a disk, jumpdrive, email or a link to YouTube. If you submit an uncompiled video file it will be considered late 1 day and you will be given a limited window to re-submit. Students are also expected to submit a hardcopy of their script with the video.

Examinations

The final exam will be two hours in length and written during the University Studies examination period. It will involve a combination of short-answer questions and essay questions.

Late Policy

Late work will only be accepted until 3pm on the second day following the due date and it will be penalized at a rate of 10%/Day. If work is not submitted by 3pm on the second day following the due date, it will not be accepted and the student will receive a 0(zero) on the assignment. It should also be noted that late material will receive no feedback from the instructor. It is your responsibility to meet the due dates for the assigned material.

Standards for Written Assignments

Learning how to follow house style sheets is one of the most important skills a writer can develop. To aid you in your quest to learn these skills I have provided a document entitled "Standards for Written Assignments" on Moodle. If your paper does not conform to these standards, expect to lose marks.

All work must be TYPED, double spaced, and have proper MLA documentation (unless instructed otherwise). Do NOT submit work to me by e-mail. All students should submit two versions of their assignments: a hard copy submitted at the beginning of the class the day the assignment is due and

a digital copy submitted through the appropriate dropbox on moodle by the beginning of that class. If one of these copies is missing the assignment will not receive a grade. Please also understand that digital submission of the work will be treated as acknowledgement that the work is free from plagiarism and other forms of academic misconduct and that the work being submitted is in full compliance with Keyano College Policy 110.1: Student Code of Conduct Procedure (Academic Misconduct: cheating and plagiarism).

Sensitivity, Respect, and Subject Matter

Some of the material we will be covering this semester is of a charged nature—whether in terms of form, content or politics. As critics, we cannot shy away from this material; however, we must understand that this material may generate a wide variety of reactions and opinions among our colleagues in the classroom. Thus, it is imperative that we remain aware of, and sympathetic to the reactions and opinions of our classmates. Respect and sensitivity will produce a stronger learning environment and generate better, more nuanced discussions.

Pronoun Usage

Every student deserves the basic respect of being referred to by the appropriate pronouns. To that end, if there are particular pronouns that you wish to use please feel free to let me know either in person or via email. If I misgender you, please feel free to correct me and I will work to avoid doing so in the future. The pronouns that I use are he/his.

Territorial Acknowledgement

Keyano College is located on Treaty 8 lands in Fort McMurray, AB. This area has been and continues to be home to the Cree, Dene, and Metis peoples. As a scholarly community we recognize that we are treaty people and work to live up to the responsibilities that come with that.

Performance Requirements

Student Responsibilities

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the Keyano College credit calendar.

More specific details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a students' learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and / or notes that may be due.

Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person's work as one's own
- The use of unauthorized aids in assignments or examinations (cheating)
- Collusion or the unauthorized collaboration with others in preparing work
- The deliberate misrepresentation of qualifications
- The willful distortion of results or data
- Substitution in an examination by another person
- Handing in the same unchanged work as submitted for another assignment
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work will not be graded until you show this signed certificate.

Specialized Supports

The Student Academic Support Services (SASS) department: Accessibility Services, Skill Centre and Wellness Services, work together to support student success at Keyano College.

Accessibility Services (CC167) supports student success through group and individualized instruction of learning, study and test taking strategies, and adaptive technologies. Students with documented disabilities, or who suspect a disability, can meet with the Learning Strategists to discuss accommodation of the learning barriers that they may be experiencing. Students who have accessed accommodations in the past are encouraged to visit our office at their earliest opportunity to discuss the availability of accommodations in their current courses. Individual appointments can be made by calling 780-791-8934

Skill Centre (CC119) provides a learning space where students can gather to share ideas, collaborate on projects and get new perspectives on learning from our tutorial staff. Students visiting the centre have access to one-to-one or group tutoring, facilitated study groups, and assistance in academic writing. The Skill Centre's Peer Tutor program provides paid employment opportunities for students who have demonstrated academic success and want to share what they have learned. Tutoring is available free to any students registered at Keyano College on a drop in basis, from 9:00 am to 5:00 pm Monday through Friday. Additional evening hours are subject to tutor availability and are posted in the Skill Centre.

Wellness Services (CC260) offers a caring, inclusive, and respectful environment where students can access free group and individual support to meet academic and life challenges. Mental Health Coordinators offer a safe and confidential environment to seek help with personal concerns. The Mindfulness Room in CC260 is available as a quiet space for students to relax during regular office hours. Wellness Service welcomes students to participate in any of the group sessions offered

throughout the academic year addressing such topics as Mindfulness and Text Anxiety. Individual appointments can be made by calling 780-791-8934.

Please watch your Keyano email for workshop announcements from our Student Academic Support Services team.
