OA 110 A - Windows and File Management

1 Credit, 5 Hours per week

This is a foundation course in operating Windows and managing drives, files, and folders in a network environment using Windows Explorer. Students will also learn functions of a computer system, hardware and software components, e-mail and Internet features. This course provides a solid foundation for students to learn subsequent Windows applications.

Prerequisites and/or co-requisites: None

Instructor
Cristina Rensmaag-Izaguirre
Syncrude Technology Centre S111B
780-791-8939
cristina.rensmaag@keyano.ca

Office Hours
Monday 3:00 PM – 4:00 PM
Tuesday and Thursday 9:30 AM – 10:30 AM
Wednesday and Friday 12:00 PM – 1:00 PM

Hours of Instruction
Monday 1:00 PM – 2:50 PM
Thursday 1:00 PM – 3:50 PM

Required Resources

Important: MyLab IT and MindTap are mandatory and essential components of this course. Students are responsible for ensuring access to both by the first day of classes to avoid falling behind in their coursework. No extensions will be granted.

Other Resources
Earbuds/headphones
Binder
Course Outcomes

Upon successful completion of the course, the student shall be able to:

- Identify computer hardware components and describe their functions.
- Locate and run software programs, and switch between program windows (multitask).
- Develop file management strategies.
- Apply Windows terminology.
- Distinguish commonly used Windows commands to view, organize and maintain files and folders.
- Customize the Windows desktop environment.
- Use Microsoft Outlook to communicate via email, manage contact information, manage tasks and work with a calendar.
- Navigate and search the Internet using an Internet browser.
- Produce required output in a promptly manner following a set of instructions.

Proposed Schedule
Refer to the Tentative Schedule for information on topic coverage.

Please Note:
Date and time allotted to each topic is subject to change.

Required Skills & Abilities
Enrolment in the Office Administration program and courses requires the following skills and abilities:

Behavioral
- Ability to work independently or as a member of a group or team
- Engage with self and others to create a safe environment.
- Respond appropriately in situations that are stressful or that involve conflict
- Ability to listen and follow instructions
- Ability to manage time and meet deadlines

Cognitive
- Remember and recall information over a brief period of time.
- Remember and recall information over an extended period of time.

Environmental
- Ability to function in the presence of each of the following commonly encountered and unavoidable environmental factors:
  - Distractions
  - Noise
  - Unpredictable behaviour of others

Psychomotor
- Perform repetitive movements and tasks
- Perform complex sequences of hand-eye coordination

Technical
- Ability to use a desktop/laptop computer
- Ability to navigate the college's online Learning Management System (Moodle) and other publisher specific LMS.

Performance Requirements

Student Responsibilities
It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the Keyano College credit calendar. The Keyano College credit calendar also has information about Student Rights and Code of Conduct. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

Student Attendance
Class attendance is useful for two reasons. First, class attendance maximizes a student's learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and notes that may be due.
**Academic Misconduct**

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person’s work as one’s own;
- The use of unauthorized aids in assignments or examinations (cheating);
- Collusion or the unauthorized collaboration with others in preparing work;
- The deliberate misrepresentation of qualifications;
- The willful distortion of results or data;
- Substitution in an examination by another person;
- Handing in the same unchanged work as submitted for another assignment; and
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work may not be graded until you show this signed certificate.

**Specialized Supports**

The Student Services department is committed to Keyano students and their academic success. There are a variety of student supports available at Keyano College. Due to the continuing situation with the Covid-19 pandemic, the offered support services will be implemented differently this semester by being provided mostly virtually. In-person service can be requested as needed. All Alberta Health Services guidelines will be followed for in-person appointments—wear a mask, maintain two meters of physical distance, use hand sanitizer, and stay home if you are unwell.

All student services are available during Keyano business hours: Monday to Friday, 8h30-16h30. The Library has evening and weekend hours. Please check [keyano.ca/library](http://keyano.ca/library) for current hours.

**Accessibility Services:** provides accommodations for students with disabilities. Students with documented disabilities, or who suspect a disability, can meet with a Learning Strategist to discuss their current learning barriers and possible accommodations. Students who have accessed accommodations in the past are encouraged to contact us to request them for the semester. Please note that requesting accommodations is a process and requires time to arrange. Contact us as soon as you know you may require accommodations. For accessibility services support and to book a virtual appointment, please contact accessibility.services@keyano.ca.

Accessibility Services also provides individual and group learning strategy instruction for all students, as well as technology training and supports to enhance learning. Meet with a Learning Strategist to learn studying and test-taking strategies for online classes. Schedule an appointment with the Assistive Technology Specialist to explore technology tools for learning. Book an appointment today by emailing accessibility.services@keyano.ca.

**Academic Success Coaching:** offers you support and access to resources for your academic success to help you to find the Keys to your Success. The Academic Success Coach will work with you to develop an academic success plan, develop your study and time management skills, and connect you with the right resources here at Keyano. Academic.success@keyano.ca is the best way to access resources during virtual service delivery.
Wellness Services: offers a caring, inclusive, and respectful environment where students can access free group and individual support to meet academic and life challenges. Mental Health Coordinators offer a safe and confidential environment to seek help with personal concerns. All individual appointments will continue virtually.

Wellness Services welcomes students to participate in any of the virtual group sessions offered throughout the academic year addressing topics including mindfulness and test anxiety.

Individual virtual appointments can be made by emailing wellness.services@keyano.ca.

Library Services: provides students with research and information supports as they engage in their studies. Library staff are available to support you both virtually and in person during the fall semester. For library service supports and inquiries, please email askthelibrary@keyano.ca.

Individual support with the Information Librarian will be provided virtually. Appointments can be requested by email or by placing a Book a Librarian request using the online form found here.

Research and Subject Guides are helpful resources when conducting research or addressing your information needs. To view a subject or course specific guide, use the following Subject Guides link.

To access additional research resources, including Citation Guides (APA, MLA, Chicago, or IEEE), go to the Research Help Library page.

Skill Centre: provides academic support services to students registered in credit programs at Keyano College in the form of tutoring, writing support groups, facilitated study groups, workshops and study space. Tutoring services are free to Keyano students. Tutoring is available for Math, Writing, English, and Science subject areas.

While most courses are being offered online, the Skill Center will be offering mostly virtual tutoring services and in-person sessions as requested. Please email Skill.centre@keyano.ca to get in contact with our tutoring staff.

For the most up to date information on how to book a tutoring session, please view the Keyano Skill Centre homepage.

E-Learning
Technology and internet will impact your online learning experience. It's important that you are able to watch an online video and other course materials, take online quizzes, and participate in a live class with your instructor and other students.

Keyano College operates in a Windows based environment and having the correct tools for online learning is important. Here's a list of recommended system requirements for Fall 2020.

Internet Speed
Minimum Internet speeds of 5 Mbps.
Recommended Internet speeds of 25 Mbps (especially if you are sharing your internet at home).
Check your internet speed with Fast.com.

</tr>
</tbody>
</table>

Important: Apple computers, Chromebooks, iPads, and other tablets are NOT recommended for the technical courses in the OA program.

**Specific department requirements:** Business and OA programs require Windows 10.

**Computer Software**

Students will be able to get access to Microsoft Office 365 for Free using Keyano Credentials by clicking here.

**Recording of lectures and Intellectual Property**

Students may record a lecture only if explicit permission is provided by the instructor or by Accessibility Services. Even if students have permission to record a lecture or lecture materials, students may not publish any of the lectures or lecture materials, this includes any recordings, slides, instructor notes, etc. on any platform. Thus no student is allowed to publish or sell instructor notes without formal written permission. It is important to recognize that the Canadian Copyright Act contains provisions for intellectual property.

**ITS Helpdesk**

If you are having issues with your student account, you can contact the ITS Helpdesk by emailing its.helpdesk@keyano.ca or calling 780-791-4965.
