**Required Resources**

A course package has been designed specifically for this course, and is available in the campus bookstore.

**Course Outcomes**

Upon successful completion of the course, students will be able to:

- Identify and explain some key philosophical issues in theistic religions.
- Identify and explain some key philosophical issue faced by all religions.
- Demonstrate the ability to write an argumentative term paper which includes scholarly academic research and properly adopts APA or MLA referencing.

**Evaluation**

Students will be evaluated based on the completion of four assignments. These assignments include: a mid-term, term paper, a final exam and on-line discussion topics. Below is a brief description of each assignment, as well as relevant due dates. More detailed descriptions of each assignment will occur as we approach these assignments throughout the term.
On-line Discussions  TBA  15%
First Exam  20 October  25%
Term Paper  7 December  25%
Final Exam  TBA  35%
Total  100%

A grade of C- is required for progression or transfer.

A late penalty of 3 marks per day, on a scale of 100, will apply to all late assignments, but will be waived for legitimate reasons if supporting documentation is provided. If an assignment is late, and not handed-in during class time, arrangements must be made with the instructor to hand-in the assignment. Should an assignment go missing, and the student is unable to produce another copy, the assignment will be considered not submitted. Likewise, if a grade is not recorded for an assignment the onus is on the student to demonstrate that the assignment was completed and graded. No late assignments are accepted after the last day of classes. No changes can be made to the class schedule, but exceptions can be made for legitimate reasons, such as an illness, if supporting documentation is provided.

**On-line Discussions**

At five points throughout the term I will post discussion topics on Moodle for students to comment on. The total value of the assignment is 15%, and therefore 3% for every post. Responses are assessed based on accuracy of explanation, clarity of presentation, relevance or material included and quality of critical reflections. Each topic will be available for only a limited time – typically a week – so late submissions will not be accepted.

**First Exam**

The first exam will cover material considered up to a week before the exam is scheduled. The exam will include multiple choice questions, short-answer questions and an essay question. The essay question will be provided before the exam, and it will follow the same format as the term paper. A review of the material will also occur before the exam, and students will be given a specific outline of the exam, including mark distribution, a week before the exam occurs. The value of this exam is 25% of the total grade.

**Term Paper**

The term paper should be between 11-15 pages (or 3400-4600 words) and contain at least four references. Two of these references must come from the course material, and two sources must be external peer-reviewed academic sources. A basic format for the term paper, that also indicates the method evaluation, will be provided early in the term. The value of the term paper is 25% of the total grade.

**Final Exam**

The final exam will cover material considered after the first exam. The exam will include short answer questions and likely two essay questions. More details will be offered concerning this exam as it approaches. The value of the final exam is 35% of the total grade.

More specific details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a students' learning experience. Second, attending class is a good way to keep informed of matters relating the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and / or notes that may be due.

Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person’s work as one’s own
- The use of unauthorized aids in assignments or examinations (cheating)
- Collusion or the unauthorized collaboration with others in preparing work
- The deliberate misrepresentation of qualifications
- The willful distortion of results or data
- Substitution in an examination by another person
- Handing in the same unchanged work as submitted for another assignment

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work will not be graded until you show this signed certificate.
