EDU 210A: Introduction to Educational Technology
3 Credits, 3 hour lectures, 3 hours lab

This course examines frameworks, trends, issues, and futuristic scenarios as it relates to the role of technology in education. Students will gain hands-on experience using technology, with a special emphasis on strategies for integrating technology in the school curriculum.

Note: Students may not receive credit for both EDU 210 and EDIT 202.

Prerequisite: EDU 100

Instructor
Tracy Boger
Office: S213F
780 791-4833
tracy.boger@keyano.ca

Office Hours
Wed: 1:30 to 3:30
Thur: 1:30 to 3:30
Friday 8:30 to 9:30

Hours of Instruction
Lab: Tuesday 10:00 - 12:50
Lec: Wednesday 10:00 - 11:20
Lec: Friday 10:00 – 11:20

Required Resources

Additional Readings will be provided on iLearn.

Course Outcomes

Upon successful completion of this course, the student shall be able to:

- Articulate and select frameworks that guide the use of technology in education.
- Understand the role of digital technologies within the teaching profession.
- Explore and demonstrate the use of technologies that support teaching and learning.
- Reflect on the conventions and responsibilities of digital citizenship including privacy, intellectual property and copyright.
- Begin to develop a philosophy of teaching with technology.
Evaluation

Weekly Assignments: 50%
- ICT Program of Studies Online Assignment
- 9 Elements of DC Voice Thread Assignment
- Digital Literacy Glog Assignment
- Animoto Book Trailer Assignment
- Explore Learning Gizmo Analysis Assignment
- TPACK Online Assignment
- Interactive Whiteboard Presentation
- Google Tools
- Technology for Inclusion
- Robotic Challenge
- Philosophy of Teaching with Technology

ePortfolio & Blog Reflections: 5%
Midterm Exam: 20%
Final Exam: 25%

* * * * *

A grade of C- is required for progression or transfer.

Late penalties

Written assignments are due at the beginning of class and multimedia assignments must be submitted electronically through iLearn by 9:00 PM on the due date. If an assignment or lab is submitted late, students will receive a penalty of 5% per day (including weekends). The second time an assignment is submitted late there is a penalty of 10% per day.

Technical problems will NOT exempt students from the late penalty so plan ahead accordingly.

Grading System

<table>
<thead>
<tr>
<th>Descriptor</th>
<th>Alpha Grade</th>
<th>4.0 Scale</th>
<th>Percent</th>

Please Note:
Date and time allotted to each topic is subject to change.

Throughout the term you can expect 1-2 classes to be taught asynchronously online. For these classes you do not need to attend a lecture, but will complete an online task in lieu of class.
Performance Requirements

Student Responsibilities

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the Keyano College credit calendar.

More specific details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a student's learning experience. Second, attending class is a good way to keep informed of matters relating the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and / or notes that may be due.

If a student misses a scheduled lab, the assignment is still expected to be submitted in by the posted due date.

Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person's work as one's own
- The use of unauthorized aids in assignments or examinations (cheating)
- Collusion or the unauthorized collaboration with others in preparing work
- The deliberate misrepresentation of qualifications
- The willful distortion of results or data
- Substitution in an examination by another person
- Handing in the same unchanged work as submitted for another assignment

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work will not be graded until you show this signed certificate.
Specialized Supports

The Student Academic Support Services (SASS) department: Accessibility Services, Skill Centre and Wellness Services, work together to support student success at Keyano College.

Accessibility Services (CC167) supports student success through group and individualized instruction of learning, study and test taking strategies, and adaptive technologies. Students with documented disabilities, or who suspect a disability, can meet with the Learning Strategists to discuss accommodation of the learning barriers that they may be experiencing. Students who have accessed accommodations in the past are encouraged to visit our office at their earliest opportunity to discuss the availability of accommodations in their current courses. Individual appointments can be made by calling 780-791-8934.

Skill Centre (CC119) provides a learning space where students can gather to share ideas, collaborate on projects and get new perspectives on learning from our tutorial staff. Students visiting the centre have access to one-to-one or group tutoring, facilitated study groups, and assistance in academic writing. The Skill Centre’s Peer Tutor program provides paid employment opportunities for students who have demonstrated academic success and want to share what they have learned. Tutoring is available free to any students registered at Keyano College on a drop in basis, from 9:00 am to 5:00 pm Monday through Friday. Additional evening hours are subject to tutor availability and are posted in the Skill Centre.

Wellness Services (CC260) offers a caring, inclusive, and respectful environment where students can access free group and individual support to meet academic and life challenges. Mental Health Coordinators offer a safe and confidential environment to seek help with personal concerns. The Mindfulness Room in CC260 is available as a quiet space for students to relax during regular office hours. Wellness Service welcomes students to participate in any of the group sessions offered throughout the academic year addressing such topics as Mindfulness and Test Anxiety. Individual appointments can be made by calling 780-791-8934.

Please watch your Keyano email for workshop announcements from our Student Academic Support Services team.
