Quizzes 10%
Midterm Exam 25%
Final Exam 25%
Total 100%

Bi-weekly quiz: These mandatory quizzes are intended to ensure students are keeping up with weekly readings and other class-related activities (i.e.: watching videos, etc.). As such, there are unlimited attempts to complete the quiz successfully and all quizzes are open book. Only the highest grade will be kept. There will be 5 quizzes throughout the semester. The quiz is only active until 11:59 pm on the Thursday of each week where a quiz appears (i.e.: week 1 runs September 5 - 11, so a quiz for that week would be active until 11:59 pm on Thursday, September 11).

Participation in Online Discussions: Like the weekly quizzes, participation in online discussions is mandatory. These discussions are a way for you to develop your critical thinking skills, and reflect upon the content in this class. The instructor will provide you with a prompt or question to initiate the discussion for 5 of these, and it is your responsibility to participate in the conversation along with your peers. You will be graded on your ability to demonstrate engagement with the discussion, which includes responding to your peers in a respectful manner.

Please see the "Rubric for Grading Online Discussions" for specific criteria.

Response Papers: There will be a series of response papers over the course of the semester. The purpose of the Response Paper is to give students an introduction to some of the different lenses, known as theories, through which art historians look when considering a work of art.

During the weeks in which there is a discussion, you will be asked to read a supplementary text that considers a one of these lenses. The following week you'll submit a short response paper that shows you've understood the concepts presented in the reading and can apply them to a specific work of art selected by your instructor.

Please see the "Response Papers Description & Rubric" for specific criteria.

Midterm and Final Exams: Both the midterm and final exams will be administered via Moodle. Specific instructions regarding each will appear on the Moodle page.

A grade of C- is required for progression or transfer.

Performance Requirements

**Student Responsibilities**

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the Keyano College credit calendar.

More specific details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.
Laboratory Safety

In the science laboratories, safety is important.

Students must complete the *WHMIS for Students* online training course on Moodle before entering the science laboratories.

Students must comply with the mandatory laboratory safety rules for this course as provided in the laboratory manual. Failure to do so will result in progressive discipline such as a verbal warning, refused entry into the laboratory, or suspension from the College.

Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a students’ learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and / or notes that may be due.

Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person’s work as one’s own
- The use of unauthorized aids in assignments or examinations (cheating)
- Collusion or the unauthorized collaboration with others in preparing work
- The deliberate misrepresentation of qualifications
- The willful distortion of results or data
- Substitution in an examination by another person
- Handing in the same unchanged work as submitted for another assignment
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Student Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Student Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work will not be graded until you show this signed certificate.

Specialized Supports

The Student Academic Support Services (SASS) department: Accessibility Services, Skill Centre and Wellness Services, work together to support student success at Keyano College.

**Accessibility Services (CC167)** supports student success through group and individualized instruction of learning, study and test taking strategies, and adaptive technologies. Students with documented disabilities, or who suspect a disability, can meet with the Learning Strategists to discuss accommodation of the learning barriers that they may be experiencing. Students who have accessed
accommodations in the past are encouraged to visit our office at their earliest opportunity to discuss the availability of accommodations in their current courses. Individual appointments can be made by calling 780-791-8934.

**Skill Centre (CC119)** provides a learning space where students can gather to share ideas, collaborate on projects and get new perspectives on learning from our tutorial staff. Students visiting the centre have access to one-to-one or group tutoring, facilitated study groups, and assistance in academic writing. The Skill Centre’s Peer Tutor program provides paid employment opportunities for students who have demonstrated academic success and want to share what they have learned. Tutoring is available free to any students registered at Keyano College on a drop in basis, from 9:00 am to 5:00 pm Monday through Friday. Additional evening hours are subject to tutor availability and are posted in the Skill Centre.

**Wellness Services (CC260)** offers a caring, inclusive, and respectful environment where students can access free group and individual support to meet academic and life challenges. Mental Health Coordinators offer a safe and confidential environment to seek help with personal concerns. The Mindfulness Room in CC260 is available as a quiet space for students to relax during regular office hours. Wellness Service welcomes students to participate in any of the group sessions offered throughout the academic year addressing such topics as Mindfulness and Text Anxiety. Individual appointments can be made by calling 780-791-8934.

*Please watch your Keyano email for workshop announcements from our Student Academic Support Services team.*
