ELCC 210: Practicum II  
5 credits, 210 hours practicum

This course allows the students to build on skills learned in Practicum I and to demonstrate increasingly complex communication, guidance and problem solving skills with children. The student will demonstrate good planning and implementation of a developmentally appropriate program.

Prerequisite: ELCC 110 and ELCC 125; Co-requisite: ELCC 225 and 6 certificate courses

Instructor
Karla Green  
CC 202-C

Office Hours
If you require confidential assistance, please email to schedule a time to meet online in a virtual platform. Your email will be returned within 24 hours. Emails sent on weekends will be answered on the next business day. Any casual course-related questions are encouraged to be posted on the course forum within Moodle.

Hours of Instruction
Tuesday, Wednesday, and Thursday  
Block placement at the end of the semester

Required Resources
- ELCC 210 Practicum Workbook (REPROPACK)

Course Outcomes:
Upon successful completion of this course, the student shall be able to:

1. Further examine and practice communication skills that facilitate problem solving between and with children.
2. Compare and discuss ways to apply child-centered play-based planning to early childhood settings.
3. Examine observed practice in the Early Childhood field for congruence with developmentally appropriate practice and personal belief.
4. Identify how ECERS & ITERS are used to assess and improve quality of care for young children.
Evaluation

Method of Evaluation:

Practicum (ELCC 210) is evaluated on a pass or fail basis. A student must succeed in both Practicum II (ELCC 210) and Practicum Seminar II (ELCC 225) in order to receive a passing grade in both.

If the student is going to miss a practicum day, for any reason, they must contact both the childcare location and their College consultant. Failure to do so will be considered unprofessional practice. A warning will be issued and, if continued may result in removal from the practicum placement, and a failing grade will be issued.

Performance Evaluation:

The Practicum workbook is the evidence of practical application that the student can document and apply their knowledge skills and attitudes in a practical setting. The successful completion of the practicum workbook is necessary to pass this course. An incomplete workbook will result in failing Practicum II (ELCC 210) and, thus, a failing grade in Practicum Seminar II (ELCC 225).

The following competencies must be met in order to receive a passing grade in both practicum and seminar:

- Practical Behavior
- Using Feedback to improve practice
- Carry out staff responsibilities and program routines
- Model a responsible and enthusiastic approach to working with children by carrying out activities and assignments as planned with the coach(es).
- Work harmoniously as a member of your teaching team.
- Plan and carry out a range of experiences for children.
- Communicate appropriately
- Understand the range of services provided to children with special needs as well as the professionals who provide services to children and their families.
- Develop awareness of the adaptive devices used by children with exceptionalities.
- Appropriately apply curriculum knowledge to childcare learning activities.
- Respond using appropriate guidance techniques.
- Support children learning to solve their own problems.
- Gain skills in using a variety of equipment and resources in preparing childcare learning environments and materials and working with children.
- Provide quality childcare classroom support

Developmental Portfolio
An organized, well-documented portfolio must be prepared using one child through the course of the semester. The student will choose a child with support from the practicum coach. Then, permission will be requested from the parent. Two examples of development will be documented in each of the core areas of development: Social, Physical, Intellectual, Creative, & Emotional plus Spiritual. We will discuss this process and the collection of materials many times during our practicum seminar. The student will use their practicum time to collect the information. It will be compiled and presented in a thoughtful, attractive document for the end of the semester and will be provided as a gift to the child and the parent(s)/guardian. The document will be a comprehensive representation of the active learning that the student has accomplished throughout the semester.
Performance Requirements and Student Services

**Student Responsibilities**

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the Keyano College credit calendar. The Keyano College credit calendar also has information about Student Rights and Code of Conduct. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

**Student Attendance**

Class attendance is useful for two reasons. First, class attendance maximizes a student’s learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and notes that may be due.

**Academic Misconduct**

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person’s work as one’s own;
- The use of unauthorized aids in assignments or examinations (cheating);
- Collusion or the unauthorized collaboration with others in preparing work;
- The deliberate misrepresentation of qualifications;
- The willful distortion of results or data;
- Substitution in an examination by another person;
- Handing in the same unchanged work as submitted for another assignment; and
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work may not be graded until you show this signed certificate.

**Specialized Supports**

The Student Services department is committed to Keyano students and their academic success. There are a variety of student supports available at Keyano College. Due to the continuing situation with the Covid-19 pandemic, the offered support services will be implemented differently this semester by being provided mostly virtually. In-person service can be requested as needed. All Alberta Health Services guidelines will be followed for in-person appointments—wear a mask, maintain two meters of physical distance, use hand sanitizer, and stay home if you are unwell.

All student services are available during Keyano business hours: Monday to Friday, 8h30-16h30.

**Accessibility Services:** provides accommodations for students with disabilities. Students with documented disabilities, or who suspect a disability, can meet with a Learning Strategist to discuss their current learning barriers and possible accommodations. Students who have accessed
accommodations in the past are encouraged to contact us to request them for the semester. Please note that requesting accommodations is a process and requires time to arrange. Contact us as soon as you know you may require accommodations. For accessibility services supports and to book a virtual appointment, please contact accessibility.services@keyano.ca.

Accessibility Services also provides individual and group learning strategy instruction for all students, as well as technology training and supports to enhance learning. Meet with a Learning Strategist to learn studying and test-taking strategies for online classes. Schedule an appointment with the Assistive Technology Specialist to explore technology tools for learning. Book an appointment today by emailing accessibility.services@keyano.ca.

Wellness Services: offers a caring, inclusive, and respectful environment where students can access free group and individual support to meet academic and life challenges. Mental Health Coordinators offer a safe and confidential environment to seek help with personal concerns. All individual appointments will continue virtually.

Wellness Services welcomes students to participate in any of the virtual group sessions offered throughout the academic year addressing topics including mindfulness and test anxiety.

Individual virtual appointments can be made by emailing wellness.services@keyano.ca.

Library Services: provides students with research and information supports as they engage in their studies. Library staff are available to support you both virtually and in person throughout the semester. For a detailed list of library supports and services, go to www.keyano.ca/library. For any inquiries, please email askthelibrary@keyano.ca.

Begin your research with the Library’s FIND page. Search for sources using OneSearch, the Library’s Catalogue, or by searching in a specific database selected from the A-Z Database List.

Individual support with the Information Librarian is available virtually. Appointments can be requested by using the Book A Librarian online form.

Research and Subject Guides are helpful resources when beginning your research or addressing other information needs. To view a subject or course specific guide, go to the Subject Guide webpage here.

To access additional research resources, including Citation Guides (APA, MLA, Chicago, or IEEE), go to the Research Help Library page.

The Loanable Technology collection is available to support students in their online learning pursuits. Items available for borrowing include mobile projectors, webcams, noise cancelling headphones, Chromebooks, and laptops. For an up-to-date list of technology available for borrowing, go to the Library’s Loanable Technology webpage.

Skill Centre: Provides academic support services to students registered in credit programs at Keyano College in the form of tutoring, assignment/lab support, writing support groups, facilitated study groups, workshops, and study space. This service is free and is available for all Math, Sciences, Humanities and Trades courses offered at Keyano.

While most courses are being offered online, the Skill Centre will be offering mostly virtual services and in-person sessions as requested. Please email Skill@keyano.ca to get in contact with our Academic Content Specialists. The Skill Centre is located in CC-119 at the Clearwater Campus.

For the most up to date information on how to book a session, please view the Keyano Skill Centre homepage.
**Academic Success Coaching:** offers you support and access to resources for your academic success to help you to find the Keys to your Success. The Academic Success Coach will work with you to develop an academic success plan, develop your study and time management skills, and connect you with the right resources here at Keyano. Academic.success@keyano.ca is the best way to access resources during virtual service delivery. The Academic Success Coach is located in the Skill Centre in CC-119 at the Clearwater Campus.

**E-Learning**
Technology and internet will impact your online learning experience. It’s important that you are able to watch an online video and other course materials, take online quizzes, and participate in a live class with your instructor and other students.

Keyano College operates in a Windows based environment and having the correct tools for online learning is important. Here’s a list of recommended system requirements.

**System requirements:**

<table>

</tr>
</tbody>
</table>

Chromebooks are **not** recommended as they are not compatible with testing lockdown browsers.

A Microsoft Surface or iPad or iPad Pro may be possible alternatives in some program areas.
Internet Speed
Minimum Internet speeds of 5 Mbps.
Recommended Internet speeds of 25 Mbps (especially if you are sharing your internet at home).
Check your internet speed with Fast.com.

Specific Department Requirements:
Business and OA programs require Windows 10.
Other programs may utilize Windows based tools as well.

Computer Software
Students will be able to get access to Microsoft Office 365 for free using Keyano credentials by clicking here.

Recording of Lectures and Intellectual Property
Students may only record a lecture if explicit permission is provided by the instructor or by Accessibility Services. Even if students have permission to record a lecture or lecture materials, students may not share, distribute, or publish any of the lectures or lecture materials, this includes any recordings, slides, instructor notes, etc. on any platform. Thus no student is allowed to share, distribute, publish or sell course related content (instructor, or students) without permission. It is important to recognize that the Canadian Copyright Act contains provisions for intellectual property. The Academic Integrity Policy provides additional information on Keyano College’s expectations from students as members of the intellectual community.

ITS Helpdesk
If you are having issues with your student account, you can contact the ITS Helpdesk by emailing its.helpdesk@keyano.ca or calling 780-791-4965.
