**Course Outcomes**

Upon successful completion of the course, students will be able to:

1. Differentiate between the main political theories of the West.
2. Identify some key debates in the history of political thought.
3. Demonstrate the ability to write an argumentative term paper which includes scholarly academic research and properly adopts APA or MLA referencing.

**Evaluation**

Students will be evaluated based on the completion of four assignments. These assignments include: a mid-term exam, term paper, a final exam and on-line discussion topics. Below is a brief description of each assignment, as well as relevant due dates. More detailed descriptions of each assignment will occur as we approach these assignments throughout the term.

On-line Discussions	TBA	20%
First Exam	12 February	20%
Term Paper	30 March	30%
Final Exam	TBA	30%
Total		100%

*A grade of C- is required for progression or transfer.*

### On-line Discussions

At five points throughout the term I will post discussion topics for students to comment on. The total value of the assignment is 20%, and therefore 4% for every post. Your response does not have to be lengthy – between 200-400 words - but must exhibit understanding, clarity, accuracy, good reflections and focus only on relevant material. Each topic will be available for only week and late submissions will not be accepted.

### First Exam

The first exam will cover material considered up to a week before the exam is scheduled. The exam will include multiple choice questions, short-answer questions and one essay question. The essay question will be provided before the exam, and it will follow the same format as the term paper. A review of the material will also occur before the exam, and students will be given a specific outline of the exam, including mark distribution, a week before the exam occurs. The value of this exam is 20% of the total grade.

### Term Paper

The term paper should be between 8-10 pages (or 2400-3000 words). A topics list will be provided for the term paper. Students must pick their term paper topic from this topic list or otherwise suffer a significant penalty. A basic format for the term paper, that also indicates the method evaluation, will be provided early in the term. This paper must contain two references from the course textbook and one external source. The external source must be a peer reviewed academic source. The value of the term paper is 30% of the total grade.

### Final Exam

The final exam will cover only material considered after the first exam. This final exam will likely focus on essay questions or a combination of essay questions and written answer questions. More details will be offered concerning this exam as it approaches. The value of the final exam is 30% of the total grade.

### Performance Requirements and Student Services

A late penalty of 3 marks per day, on a scale of 100, will apply to all late assignments, but will be waived for legitimate reasons if supporting documentation is provided. If an assignment is late, and not handed-in during class time, arrangements must be made with the instructor to hand-in the assignment. Should an assignment go missing, and the student is unable to produce another copy, the assignment will be considered not submitted. Likewise, if a grade is not recorded for an assignment the onus is on the student to demonstrate that the assignment was completed and graded. No late assignments are accepted after the last day of classes. No changes can be made to the class schedule, but exceptions can be made for legitimate reasons, such as an illness, if supporting documentation is provided.

### Student Responsibilities

It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the [Keyano College credit calendar](#). The Keyano College credit calendar also has information about Student Rights and Code of Conduct. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

### Student Attendance

Class attendance is useful for two reasons. First, class attendance maximizes a student's learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and notes that may be due.

### Academic Misconduct

Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person's work as one's own;
- The use of unauthorized aids in assignments or examinations (cheating);
- Collusion or the unauthorized collaboration with others in preparing work;
- The deliberate misrepresentation of qualifications;
- The willful distortion of results or data;
- Substitution in an examination by another person;
- Handing in the same unchanged work as submitted for another assignment; and
- Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on [ilearn.keyano.ca](http://ilearn.keyano.ca). Then print the certificate, sign it, and show it to each of your instructors.
