Course Outcomes:
Upon completion of the course, students will be able to:

1. Demonstrate and integrate the use of (Nonviolent) Compassionate Communication skills in the application of interpersonal conflict resolution, giving & receiving feedback, self-empathy, and effective communication – both honestly expressing and empathically listening.
2. Examine personal responses to power and control.
3. Strengthen awareness of how their attitudes and behavior/actions impact others.
4. Enhance ability to self-reflect and utilize various approaches for self-growth such as peer consultation/evaluation, reflection journal, and debriefing.
5. Demonstrate skills in team relationships including giving and receiving feedback, addressing concerns and issues with appropriate person(s), dealing with change and transition, and managing stress.

6. Compare and contrast the various roles within working groups and assess team dynamics in current work team.

7. Describe the ELCC professional’s role in relationships with colleagues to share information and to collaborate on planning for care routines and children’s play, learning, and development.

8. Identify and discuss issues in the field of early childhood and relate them to their own professional work.

9. Describe the CCCF Code of Ethical Conduct and recognize personal accountability for practicing in an ethical manner.

10. Demonstrate how a code of ethics underlies their responses to the ethical issues that arise in their work with children and families and in their responsibilities as advocates for children.

**EVALUATION:**

Since the nature of this course is human growth and interaction, evaluation will reflect participation in group exercises; demonstration of skills in class, in other classes and in practicum/work settings; completion of assignments; and ability to self-reflect, self-empathize and self-evaluate.

Final evaluation will be determined through an assessment of skills learned by the end of the course. The decision about final grades is the instructor’s responsibility. Poor attendance, lack of professionalism, a lack of growth in communication skills, poor listening skills, and a lack of self-awareness are the primary reasons for failure in this course.

Performance Requirements and Student Services

Student Responsibilities
It is your responsibility as a student to contact the Office of the Registrar to complete the forms for Withdrawal or Change of Registration, and any other forms. Please refer to the list of important dates as noted in the Academic Schedule in the Keyano College credit calendar. The Keyano College credit calendar also has information about Student Rights and Code of Conduct. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

Student Attendance
Class attendance is useful for two reasons. First, class attendance maximizes a student’s learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your own learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes and for ensuring that they are prepared for the next class, including the completion of any assignments and notes that may be due.

Academic Misconduct
Students are considered to be responsible adults and should adhere to principles of intellectual integrity. Intellectual dishonesty may take many forms, such as:

- Plagiarism or the submission of another person’s work as one’s own;
- The use of unauthorized aids in assignments or examinations (cheating);
- Collusion or the unauthorized collaboration with others in preparing work;
- The deliberate misrepresentation of qualifications;
- The willful distortion of results or data;
Substitution in an examination by another person;
Handing in the same unchanged work as submitted for another assignment; and
Breach of confidentiality.

The consequences for academic misconduct range from a verbal reprimand to expulsion from the College. More specific descriptions and details are found in the Student Rights and Code of Conduct section of the Keyano College credit calendar. It is the responsibility of each student to be aware of the guidelines outlined in the Student Rights and Code of Conduct Policies.

In order to ensure your understanding of the concept of plagiarism, you must successfully complete the online tutorial found on ilearn.keyano.ca. Then print the certificate, sign it, and show it to each of your instructors. Your course work may not be graded until you show this signed certificate.
