Third Period Technical Training

- Heavy Equipment Technician-

(8 Weeks @ 30 Hours per Week = 240 hours)
Instructor(s):

Jason Lalonde - Chair  
Office CC117 – Clearwater Campus  
Office Phone 780-791-4908  
jason.lalonde@keyano.ca

Instructor(s):

Alan Dowling – HET Instructor  
780-799-8625  
Alan.Dowling@keyano.ca

Tony Gauthier – HET Instructor  
780-792-5097  
Tony.Gauthier@keyano.ca

Chester Parisian – HET instructor  
780-799-8610  
Chester.Parisian@keyano.ca

Darrell Pintkowski – HET instructor  
780-799-8610  
Darell.Pintkowski@keyano.ca

Kevin Wills – HET Instructor  
78-799-8618  
Kevin.Wills@keyano.ca

Office Hours:

Monday through Friday: 8:00 am – 4:00 pm

Suncor Energy Industrial Campus (SEIC)
Required Text Books: (available at Keyano College Bookstore approximately 2 weeks prior to start date)

*Third Period ILM Package* and 3rd Year Keyano College handout package

**Heavy Equipment Technician Program Supplies**
(Required for all periods):

- 2 inch 3-ring binders and lined paper
- 6 or 12 inch ruler
- Pens, writing pencils, coloured pencils, highlighters, erasers
- Calculator (with no programmable memory)
- Coveralls
- CSA approved safety boots
- Safety glasses
- Although classes are scheduled in person, we ask that all students are prepared with the technology required for virtual classes (online) should it become necessary; Computer/laptop, microphone, camera and internet access.

**Course Description:**

In the Third Period Technical Training you will learn about:

1. Hydraulics II
2. Steering and Suspension Systems and Accessories (Specific to Off-Road) and Apprenticeship
3. Power Train (Specific to Off-Road)

**Learning Outcomes**

Upon successful completion of Section One – *Hydraulics II* - you will be able to

1. Explain principles of hydraulics.
2. Identify common hydraulic pumps.
3. Diagnose and repair common hydraulic pumps.
4. Identify hydraulic motors and cylinders.
5. Service hydraulic cylinders and motors.
7. Analyze common mobile equipment hydraulic systems.
8. Diagnose common mobile equipment hydraulic systems.
9. Analyse basic electrical and electronically controlled hydraulic systems.
Upon successful completion of Section Two – *Steering and Suspension Systems (Specific to Off Road)* - you will be able to

1. Diagnose and service off-road equipment steering systems.
2. Explain off-road suspension system diagnostic and service procedures.
3. Service and maintain accessories and attachments used with off-road equipment.
4. Explain the operation of typical off-road equipment electrical and warning circuits.
5. Diagnose and repair off-road equipment electrical circuits.
6. Display coaching skills.
7. Describe the role of the Alberta Apprenticeship and Industry Training Board and the network of industry committees that represent the trades and occupations in Alberta.
8. Use Red Seal Product to challenge an Interprovincial examination.

Upon successful completion of Section Three – *Power Train (Specific to Off Road)* - you will be able to

1. Explain basic gearing principles.
2. Diagnose and repair common off road equipment torque converters.
3. Explain the operation of powershift and automatic transmissions mechanical components.
4. Explain the operation of powershift and automatic transmission shift control mechanisms.
5. Explain the operating principles for off-road equipment hydraulic retarders.
6. Diagnose and service powershift and automatic transmissions.
7. Explain tracked equipment steering system diagnostic and service procedures.
8. Explain diagnostic and service procedures for tracked equipment undercarriage and related components.
9. Explain diagnostic and service procedures for off-road equipment final drive systems.
10. Repair drive axle and differential assemblies.
11. Service and diagnose common clutch types.

**Schedule**

A detailed daily class / shop schedule will be handed out on the first day of each intake.
Grades

Apprentices must successfully meet three criteria to pass technical training.
1. Minimum 65% Theory Component (cumulative weighted average)
2. Minimum 65% on each Practical Component
3. Minimum 50% on every section of study.

E-Learning
Technology and internet will impact your online learning experience. It's important that you are able to watch an online video and other course materials, take online quizzes, and participate in a live class with your instructor and other students.

Keyano College operates in a Windows based environment and having the correct tools for online learning is important. Here's a list of recommended system requirements:

Internet Speed
Minimum Internet speeds of 5 Mbps.
Recommended Internet speeds of 25 Mbps (especially if you are sharing your internet at home). Check your internet speed with Fast.com.
### System requirements:

#### Microsoft Windows

<table>
<thead>
<tr>
<th>Minimum Requirements:</th>
</tr>
</thead>
<tbody>
<tr>
<td>A Windows 10 <strong>computer/laptop</strong></td>
</tr>
<tr>
<td>· Minimum 4GB of RAM.</td>
</tr>
<tr>
<td>· 10GB+ available hard drive storage.</td>
</tr>
<tr>
<td>· Enough available hard drive space to install the Microsoft Office suite (approximately 3GB). Microsoft Office software is free to all Keyano students and employees.</td>
</tr>
<tr>
<td>· Microphone, webcam and speakers. A headset with a microphone is recommended.</td>
</tr>
<tr>
<td>· System updates must be regularly installed.</td>
</tr>
<tr>
<td>· Anti-Virus / Anti-Malware software</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Recommended Requirements</th>
</tr>
</thead>
<tbody>
<tr>
<td>· 8GB of RAM</td>
</tr>
<tr>
<td>· A method of backing up/synchronizing to local or cloud-based storage such as OneDrive is highly recommended. This is included if you complete the setup of KeyanoMail and download MS Office using your Keyano email for free.</td>
</tr>
</tbody>
</table>

#### Apple

<table>
<thead>
<tr>
<th>Minimum Requirements:</th>
</tr>
</thead>
<tbody>
<tr>
<td>A Macintosh (V10.14 and above) <strong>computer/laptop</strong></td>
</tr>

Chromebooks are **not** recommended as they are not compatible with testing lockdown browsers.

A Microsoft Surface or iPad or iPad Pro may be possible alternatives in some program areas.

**Specific department requirements:**
Business and OA programs require Windows 10.
Other programs may utilize Windows based tools as well.
Computer Software
Students will be able to get access to Microsoft Office 365 for Free using Keyano Credentials by clicking here.

Recording of lectures and Intellectual Property
Students may only record a lecture if explicit permission is provided by the instructor or by Accessibility Services. Even if students have permission to record a lecture or lecture materials, students may not publish any of the lectures or lecture materials, this includes any recordings, slides, instructor notes, etc. on any platform. Thus no student is allowed to publish or sell instructor notes without formal written permission. It is important to recognize that the Canadian Copyright Act contains provisions for intellectual property.

ITS Helpdesk
If you are having issues with your student account, you can contact the ITS Helpdesk by emailing its.helpdesk@keyano.ca or calling 780-791-4965.

Important Phone Numbers

- Candace Trites, Administrative Assistant 780-791-4881
  Call Candace if you are going to be absent from class or have any general questions or concerns.

- Craig Cail, Construction Trades & Heavy Industrial Chair 780-715-3902
  Call Craig if you have any concerns with class work, instructors, or if you require any type of academic accommodations.

  Call your instructor if you need information about class work, schedules or if you need extra help to learn the material.

- Mark Power, Alberta AIT 780-743-7181
  Call Mark if you have questions about attendance, apprenticeship, or your employer.

- Security 780-791-7911
  Call security if you feel threatened while on campus, to report a fire, if you need a door unlocked, or for parking issues.

- Office of the Registrar
  - Registration Assistants 780-791-4801
    Call this office if you have questions about fees/tuition or class availability.

- Student Life Calendar https://calendar.keyano.ca/student/
  Refer to the Student Life calendar for events and important dates for students.
IMPORTANT NOTICE

Information Regarding Fees and Procedures

If the address listed on your fee assessment sheets is different from your current address, or if your address changes anytime during the duration of your program, please go to the Student Services Centre and fill out the “Change of Address” form as Keyano College requires a current address for you at all times.

Your Student ID cards are available for pick up in the Office of the Registrar. Please have your Student ID # and photo identification available. Apprentices are required to pick up a new Student ID card every Academic Year.

For information on Awards/Bursaries, please contact the Student Services Center either in person or by phone at (780) 791-4894.

Keyano College is a paid parking facility. Parking passes can be purchased at the Bookstore. Current rates can be found at: https://www.keyano.ca/en/about-us/parking.aspx

When parking, please be mindful of designated areas (“Reserved”, “Metered”, etc.) Unreserved, General Parking is available in lots A, B, E and F. Lots C and D are reserved staff parking. If you park in a reserved spot, you can be ticketed even if you have a hang tag or daily pass. Please see the campus map for locations of the parking lots.

Please Note:

- It is now your responsibility to submit your E.I. forms on your own time. (HRDC no longer comes to the college)

- You can submit your registration on-line http://www100.hrdcdrhc.gc.ca/ae-ei/dem-app/english/home2.html

- Or link from http://www.servicecanada.gov.ca
