RECEPTION TO FOLLOW IN ELEMENTS

A history OF THE CEREMONIAL MACE

The ceremonial mace, originally a weapon, has over the centuries become a symbol of order and authority. The ceremonial mace adds meaning and dignity to the commencement ritual. It reminds both participants and spectators that education is one of the most cherished attributes of a free and democratic society.

Keyano College's Ceremonial Mace, carried in academic processions, is a symbol of academic authority and a part of college history. The piece was commissioned in 2010.

The mace is 48 inches tall and was lathed using cherry wood; it weighs 3.6 kilograms. The base, pedestal, and headframe were crafted by Randy Ringheim, Instructor,

Welding – School of Trades and Heavy Industrial and showcases creativity within the trades. The headpiece was forged using traditional blacksmithing techniques and mild steel material.

The mace is on display during the year and is housed in a secure location in the Office of the Registrar.

The mace is carried by the Grand Marshall. Catharine Szpak, Instructor and Practical Nurse Coordinator in the School of Health and Human Services, is a long-serving faculty member with over 20 years of service at Keyano College.

HISTORY OF THE GOVERNOR GENERAL'S COLLEGIATE BRONZE ACADEMIC MEDAL

Recipient

COLIN GREENE

Advanced Care Paramedic Diploma

Lord Dufferin, Canada's third Governor General after Confederation, created the Academic Medals in 1873 to encourage academic excellence across the nation. Over the years, they have become the most prestigious award that students in Canadian schools can receive.

For more than 140 years, the Governor General's Academic Medals have recognized the outstanding scholastic achievements of students in Canada. They are awarded to the student graduating with the highest average from a high school, as well as from approved college or university programs. Pierre Trudeau, Tommy Douglas, Kim Campbell, Robert Bourassa, Robert Stanfield and Gabrielle Roy are just some of the more than 50 000 people who have received the Governor General's Academic Medal as the start of a life of accomplishment.

Today, the Governor General's Academic Medals are awarded at four distinct levels: Bronze at the secondary school level; Collegiate Bronze at the post-secondary, diploma level; Silver

at the undergraduate level; and Gold at the graduate level. Medals are presented on behalf of the Governor General by participating educational institutions, along with personalized certificates signed by the Governor General.

To maintain a spirit of universality across the country, the Directives were designed to ensure that the medals are awarded on academic marks only, regardless of the more intangible qualities of students' life, such as good citizenship, moral behaviour or popularity.

The COLLEGIATE BRONZE medal is awarded to the student who achieves the highest overall average upon graduation from a diploma-level, post-secondary program (minimum two-year, full-time duration).

Valedictorian
HANNAH NDORO
Practical Nurse Diploma

Today we celebrate not just the completion of our academic journey, but the beginning of countless new opportunities that await us. As we gather to mark this momentous occasion, we reflect on everything that has brought us to this point.

Our time at Keyano College has transformed us in ways we never imagined. We arrived with diverse backgrounds, goals, and dreams, yet we leave united by shared experiences and mutual growth. The challenges we faced, whether mastering difficult subjects, balancing work, personal life, and studies, or finding our place in a new community, have equipped us with skills that extend far beyond the classroom.

Through sleepless nights preparing for exams, collaborative projects that tested our patience and creativity, and moments of doubt when the finish line seemed

impossibly distant, we discovered strengths within ourselves we never knew existed. The resilience we developed here will serve us throughout our lives.

To our instructors your guidance has been invaluable. You created a supportive environment where learning could flourish, and your dedication made all the difference. To our families whose encouragement never wavered, your belief in us helped make this achievement possible.

As we step forward into our futures, let us carry not only our knowledge but also compassion, integrity, and hope into a world that needs these qualities more than ever. Let us share light where there is darkness, understanding where there is conflict, and love where there is indifference.

Congratulations, Class of 2025. Our journey is just beginning.

Valedictorian

TIPHANY LABEACH

Environmental Technology Coop Diploma

Today, we stand at the threshold of a new and exciting chapter—one shaped by the lessons we've learned, the friendships we've built, and the many challenges we've overcome. As we gather to celebrate this incredible milestone, I want to take a moment to recognize each graduate and extend my warmest congratulations.

Our journey was so much more than lectures, lab reports, co-op terms, and practicums. It was a journey of growth, perseverance, and transformation. We've tackled tough group projects, powered through late-night study sessions, adapted to new learning environments, and for many, survived at least two Fort McMurray winters. Every challenge we faced helped shape us into who we are today—strong, capable, and ready for whatever comes next.

To our instructors, thank you for pushing us to think deeper, guiding us with patience, and helping us discover our true potential. To

our families, friends, and the Fort McMurray community—your unwavering support made this day possible, and we are endlessly grateful. And to my fellow graduates: congratulations! Our hard work, commitment, and determination have brought us here. Today, we celebrate the sweet reward of our efforts.

As we step into our future careers, further studies, or take time to reflect and explore, let's carry forward the same passion and drive that brought us here. Whatever your next step may be, take it boldly, with purpose, and with the confidence that you are prepared.

The foundation has been laid. The connections we've made are lifelong.

Cheers, Huskies—to bold steps and bright futures!

Greetings from **CHAIR OF THE BOARD OF GOVERNORS**

On behalf of the Board of Governors, it is my pleasure to extend heartfelt congratulations to the graduating Class of 2025.

Convocation is a time to celebrate the determination and resilience that brought you here. You've faced challenges, grown through them, and emerged ready to take on the world with the skills and confidence you've gained at Keyano College.

As someone who has spent decades serving the Fort McMurray Wood Buffalo region, I know how essential education is to the strength and future of our communities. I also know that each of you, as a Keyano graduate, has the power to contribute meaningfully wherever life takes you.

Your success is a reflection of your hard work, and also of the support systems—families, friends, mentors—who have walked this journey with you. I encourage you to carry forward that spirit of gratitude, service, and leadership.

We are incredibly proud of you. You've made your mark on Keyano College—and now, we look forward to seeing the mark you'll leave on the world.

Warmest congratulations,

Don Scott

Chair, Board of Governors
Keyano College

Greetings from **PRESIDENT & CEO**

Dear Graduates,

It is with immense pride and joy that I congratulate you on reaching this important milestone in your journey. Convocation is a celebration of perseverance, growth, and possibility. Today, you stand at the threshold of a new chapter, carrying with you the knowledge, values, and strength forged through your time at Keyano College.

Throughout my own journey across continents and communities, I've seen again and again how education has the power to transform lives—not just academically or professionally, but personally. It teaches us how to think deeply, lead with integrity, and serve with empathy. I see that same power in each of you.

You have pursued your goals with resilience, often balancing school with work, family, and other responsibilities. You have supported one another, adapted to challenges, and emerged not only with credentials but with character. These qualities will continue to guide you long after you leave our classrooms.

As you go forward, I encourage you to hold onto your curiosity and your courage. Use your skills not only to advance your careers, but to uplift your communities. Whether you remain in Fort McMurray Wood Buffalo or make your mark elsewhere, know that you are always part of the Keyano College family.

On behalf of our entire college community—congratulations. We are proud of you, inspired by you, and excited for all the ways you will help shape the world.

Warm regards,

Dr. Sandra Efu
Interim President & CEO,
Keyano College

Greetings from **SAKC PRESIDENT**

Dear Husky Graduates,

The incredible Class of 2025, today we are not just celebrating a graduation, we are celebrating a journey. A journey marked by hard work, sleepless nights, moments of doubt, and countless sacrifices. We are celebrating the challenges we faced, the friendships that became family, and the resilience that carried us through.

This milestone is more than a piece of paper, it is living proof that you are capable of achieving anything you set your heart on. Let it remind you that no dream is too big, no goal too far.

As you step into the next chapter of your life, carry with you the strength you have built, the lessons you have

learned, and the fire that has brought you this far. Move forward boldly, with passion, with courage, and with unwavering faith in who you are becoming. The world is waiting for your light.

Congratulations, Class of 2025. You made it — and your best is still yet to come.

With warmest regards,

Chioma Igbokei

President

*Students' Association of Keyano College
(SAKC)*

Greetings from **MAYOR**

On behalf of Council and everyone with the Regional Municipality of Wood Buffalo, congratulations to the Keyano College Class of 2025.

Graduation can be such a special time in your lives, and I hope that this accomplishment allows you to reflect on where you've been and where you're headed. Regardless of where your journey takes you, I wish you all the best on your next step.

I also want to take this opportunity to thank the team at Keyano College, for their collective commitment to enriching higher education while

playing a positive role as a key community partner. Our region is better because of your efforts, and we appreciate what you're doing.

Again, congratulations to this year's graduates at Keyano College. May this time mark only the beginning of a new, exciting chapter as this important one closes at Convocation.

Sincerely,

Sandy Bowman
Mayor

Greetings from
**TANY YAO, MLA &
HON. BRIAN JEAN, KC ECA**

Congratulations to the 2025 Keyano College Graduating Class.

As The MLAs for the Fort McMurray region and on behalf of the communities we represent, we celebrate your success and salute your perseverance in accomplishing this hard-earned achievement.

This graduation is only one of the many accomplishments you will attain; it is a representation of the challenges you have faced, and then conquered. These years of grind and struggle, of applying yourselves and persevering, have better prepared you for the rest of your larger journey, where you will be able to choose your own rewards.

As you leave Keyano College you will take the knowledge and experience you have gained and apply them in the many new opportunities now open to you. But you will also leave something of yourselves behind, you will leave the spirit of your passion. That spirit remains to reinforce the walls and the commitments of those who have helped prepare you, and it shall help prepare those who come after you.

And though you move on from this stage of your lives, the memories, and friendships you have made here will accompany you wherever you go. These are just as vital to your journeys as the teachings you have learned in the classrooms. Like education, fellowship does not hinge on distance or time, it

instead depends on personal resolve and determination.

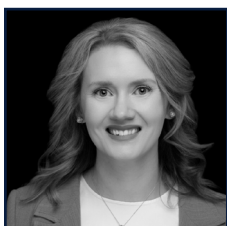

As you travel forward, remember the lessons you have learned. Using those lessons, strive to widen the narrow perspectives you encounter. Use them to endeavour and contribute to making the world a better place. Anything worth doing, is worth doing well.

It has been said that two of the hardest things in life are to say hello for the first time, and goodbye for the last, but do not let these trials prevent you from commencing new adventures. Consider this a farewell until we meet again.

Once again, we offer our congratulations to each one of you. As you move forward remember that the most significant battles are hard won. When a door closes, another one inevitably opens. Do not dwell too long on the closing doors, as you may miss the ones opening before you.

Tany Yao,
MLA - Fort McMurray - Wood Buffalo
*Parliamentary Secretary for Small
Business and Northern Development*

Brian Jean,
MLA - Fort McMurray - Lac La Biche
Minister of Energy and Minerals

Greetings from **LAILA GOODRIDGE, MP**

Congratulations to the Keyano College graduating class of 2025 on the achievement of this well-earned milestone.

Your graduation signals a time when students, their families, and teachers have an opportunity to both reminisce and look forward to the exciting and unwritten journey that lies ahead.

As you have transitioned from college students to college graduates, you've acquired the knowledge and tools that will prepare you as you make your mark in this great, big world.

When you look back to remember all it took to make it here – the all-nighters during finals, the office hours visits, the academic trials, and tribulations – I hope you realize this same hard work and perseverance will serve you in the pursuit of your dreams.

As you have experienced, it won't always be easy.

Sometimes we can resent life's challenges and wonder if we've bitten off more than we can chew. Your passion and the power created from focusing on your true potential will lead you right back to your destiny. Nelson Mandela once said: "There is no passion to be found in playing small, in settling for a life that is less than the one you are capable of living."

When we believe we cannot have what we desire—when we lack faith in ourselves and in the goodness of life—we settle for less. However, when we stand in the truth of our purpose, that we *can* and *will* have what we really want - opportunity will rise to meet you.

You will know when you find your calling. Keep looking until you find it because you don't deserve half a percentage less joy.

After every lesson, we are obliged to strive again for success, and when faced with the end of one thing, we must weave hope and build something new and better.

During your next adventure, don't forget to ask questions, take risks, and make mistakes, but always be learning.

As you go forth into your future careers and studies, do so with integrity, compassion, and curiosity. But for now, take time to celebrate. You've earned it.

Congratulations.
