Chioma Igbokei

*SAKC President  
Keyano College*

Chad Slee

*Director of Marketing and Sales of Mining  
Finning*

# HIGHLIGHTED DONOR

## **FINNING®**

Finning Canada is a division of Finning International Inc., the world's largest Caterpillar equipment dealer. Headquartered in Edmonton, Alberta, Finning Canada sells, rents and provides customer support services for Caterpillar equipment and engines in British Columbia, Yukon, Alberta, Saskatchewan, the Northwest Territories and a portion of Nunavut. We provide parts and service for equipment, engines and a wide range of power systems applications to customers in a diverse range of industrial markets, including mining, forestry, construction, pipeline/oil field construction, agriculture, government sector, marine, transportation, fisheries, and the commercial transport industry.

Since 1933, when Finning was first established in Canada by Earl B. Finning, our name has conveyed integrity, reliability and resourcefulness. Over the years, the company has grown as a result of a genuine commitment to earning customer loyalty.

With our broad product support infrastructure and unmatched service capabilities, we deliver solutions that enable customers to achieve the lowest equipment owning and operating costs while maximizing uptime.

Finning International employs 13,000 people worldwide and operates in three geographies, South America, UK & Ireland and Western Canada.

### **Inclusion & Diversity**

At Finning we believe everyone deserves to work in an environment that is supportive of their individual circumstances and provides fair access to career support and opportunities. We are actively building our capability to understand the needs of different groups and to remove barriers to inclusion, including supporting flexible working hours and location. Finning was included in Equileap's 2019 Top 10 companies in Canada for gender equality and were the only industrial company in the Canadian top 10.

### **Community Investment**

Whether it's lending a hand in times of need or contributing to charitable causes, Finning's investment in communities where we live and work is a core part of who we are. Our commitment has expanded over time, both in terms of the value of our investments and our reach around the world. At the same time, we have been focusing our efforts on one particular global initiative that we believe makes a fundamental difference to our communities and the people who live in them. This initiative is focused on supporting youth and postsecondary STEM education, a community investment strategy that Finning is pursuing globally in concert with leading non-profit strategic partners.

# Thank You

*Keyano College  
gratefully acknowledges the following  
organizations and individuals  
for making  
this evening possible:*

Alberta Department of Learning

Keyano College Board of Governors

Students' Association of Keyano College

Keyano College Student Awards Program Donors

Congratulations to all of our award recipients.  
Thank you to all our donors who made this evening possible.
