FEATURE DONOR/COMPTON VIGILANCE/ CARROLLE VIGILANCE MEMORIAL AWARD

Keyano College is grateful to honour Compton Vigilance as this year's feature donor.

Compton Vigilance moved to Canada from Guyana in 1969. From a young age, his parents instilled in him the importance of giving back and helping others. Philanthropy is one of his core values and his motivation is simple; he wants others to succeed.

Vigilance is still very grateful and appreciative to all those who have assisted him in the past that set him on this path to where he is today. He would not be as successful as he is without the help of others, and this is one factor motivating his philanthropy.

As a sports enthusiast, he is currently volunteering his time as the coach of two women's basketball teams in Edmonton and is an assistant coach to the Keyano College Women's Basketball Team alongside his son, Dwayne Vigilance, the head coach. Coaching runs deep within Vigilance's veins as he has been a coach for many decades, including three years as the head coach of the Keyano College Women's Basketball Team only years before his son took over.

When Vigilance starting coaching the Keyano College Women's Basketball Team in 2006, the team was competing in the ACAL League, the league that feeds into the

ACAC. At that time, in order to ascend into ACAC, you had to win place first in ACAL. The first two years that Vigilance coached the Women's Basketball Team, they placed Bronze and Silver respectively. However, in his third year as head coach, Vigilance's dedication to coaching and the hard work of his team paid off and they won Gold and earned their place in the ACAC. This was a huge moment for Keyano and laid the base for the continuation of excellence in sport that Keyano still upholds.

In addition to giving back to the community by sharing his expertise, motivation and passion for sports, Vigilance also established the Carrolle Vigilance Memorial Awards in honour of his late wife. Although Carrolle wasn't a sports enthusiastic like the rest of her family, she was always their number one fan. Carrolle supported her husband's and her children's passion for sport and would attend every one of their games and cheer from the sidelines albeit with a book in her hands.

She is the inspiration behind these awards that are presented to two athletes from the Keyano College Women's Basketball team who demonstrate sport excellence through leadership, training habits, athletic excellence, academic performance, and volunteerism.

We are pleased to offer the 2022-23 Carrolle Vigilance Memorial Awards to Kayla Lutterodt and Jaylynn Twin.
