HIGHLIGHTED DONOR

Scotiabank®

Scotiabank is a leading bank in the Americas. Guided by our purpose: "for every future", we help our customers, their families and their communities achieve success through a broad range of advice, products and services, including personal and commercial banking, wealth management and private banking, corporate and investment banking, and capital markets. With a team of approximately 90,000 employees. Canadian Banking provides a full suite of financial advice and banking solutions, supported by an excellent customer experience, to over 10 million Retail, Small Business and Commercial Banking customers.

Diversity, Equity and Inclusion

Scotiabank has a long history of championing diversity and inclusion in every market in which we operate, and we are committed to taking meaningful steps to support the advancement of members of BIPOC communities. We are proud of our diverse workforce and believe it helps differentiate us as a top employer, a leading financial services partner, and an integral part of the communities we serve.

Community Investment

We are guided by our purpose: for every future. Where our customers, employees and communities all thrive for the betterment of everyone. Our approach to managing environmental, social and governance (ESG) issues focuses on areas where Scotiabank can make the biggest impact – enabling stakeholders to reach their fullest potential, mobilizing finance to address important social and environmental challenges and building trust by acting with integrity in everything we do.

ScotiaRISE is just one of many programs we are very proud of. This is a 10-year, \$500 million initiative to promote economic resilience among disadvantaged groups. By working together to remove barriers to advancement and increase access to opportunities, we can create a more inclusive and resilient world for everyone.

DR. VINCELLA THOMPSON MEMORIAL AWARD

Vincella has been foundational to Keyano College for the last 18 years. Her career with the College began in 2003 as an instructor in Early Education and Childcare. Throughout her tenure, she progressed from Instructor to Dean of University Studies, Career Programs, and Academic Upgrading. In her role as Dean, she oversaw the development and implementation of many new programs. She will be deeply missed by her colleagues and students alike.

Vincella lived in Fort McMurray for nearly 40 years after immigrating to Canada from Jamaica and spending her adolescent and early adult years in Ontario. She was a pillar in the Fort McMurray community, and she saw the importance of using her time and talents to help others. Vincella was a co-founder of the Fort McMurray Christian School, served as President of the Multicultural Association of Wood Buffalo, volunteered as a board member of the Alberta Persons with Development Disabilities Board and the Canadian Mental Health Association, and served as an Elder at the McMurray Gospel Assembly, in addition to numerous other volunteer roles.

Vincella valued education and was committed to being a life-long learner. During her life she earned a Bachelor of Education degree and a Bachelor of Arts (Psychology) degree from the University

of Western Ontario, as well as a Master of Arts (Special Education) degree, and Doctor of Philosophy (Performance Improvement) degree from Capella University. She regularly counselled and encouraged others to pursue higher education.

Vincella accomplished much throughout her life, her community-building volunteerism in Fort McMurray, her professional career, and the countless people she was able to mentor and guide. In 2020, Vincella was recognized and honoured as one of the 100 Accomplished Black Women in Canada for her lifetime of achievements and contributions to her community.

It was her children's wishes to honour Vincella's life and her achievements by establishing a memorial award. This award was designed to provide financial assistance and recognition to University students at Keyano College who were born outside of Canada and excel in academics. This award was funded by friends, family, the Fort McMurray community, and Keyano College and will be housed in an endowment so that this award will exist in perpetuity in memoriam of Dr. Vincella Thompson.
