A. POLICY STATEMENT

Keyano College strives to be a responsive institution that consistently meets or exceeds the expectations of our stakeholders. We strive to provide learning opportunities to our Huskies Student Athletes and ensure that student athlete tuition waivers are managed in an efficient and responsible manner between the Athletics Department, Financial Services and the Office of the Registrar.

1. Guiding Principles

- 1.1 Student athletes must complete the Letter of Intent within the established timeline after receiving the documents from their head coach.
- 1.2 The amount of the student athlete tuition waiver is determined by the team’s Head Coach with consultation and approval of the Director of Athletics and Recreation.
- 1.3 Student athletes who receive a tuition waiver for their full tuition fee will have their Admissions Deposit waived by the Office of the Registrar as part of the admissions process.
- 1.4 Student Athletes must obtain a sufficient term Grade Point Average (GPA) to remain eligible to maintain their Student Athlete Tuition Waver. Sufficient GPA for Student Athlete Tuition Waivers is equivalent to being in good academic standing or on academic probation for the given program of study as per Keyano College policy.
- 1.5 Student Athletes must remain in good non-academic standing.
- 1.6 It is expected that students-athletes make every effort to attend all classes and labs associated with their program.
- 1.7 Student-Athletes will be responsible to pay additional costs to Keyano College.

- 1.8 As part of the Keyano College Huskies competing within the Alberta Colleges Athletic Conference (ACAC) or other assigned leagues, student-athletes are required to be full time students. For the purposes of Athletics full-time enrolment at Keyano College is considered a minimum of 9 credits per semester. Students with disabilities can apply for reduced course load which would allow them to maintain full-time status for the purpose of Athletics' while taking less than 9 credits per semester, the minimum number of credits in this instance is determined by the Registrar based on program load.
- 1.9 Student-athletes will follow the ACAC Operating Code or operating code under any other assigned leagues regarding eligibility requirements.
