

REGISTRATION GUIDE:
Academic Year: 2022-2023

Program Name: Bachelor of Science Nursing (Year 2)

The information in this Registration Guide is accurate at the time of printing and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choice. This guide should be used in conjunction with the official version of the Keyano College Credit Calendar (keyano.ca/creditcalendar), and calendars of appropriate transfer institutions.

As of Fall 2022, all BScN students in Year 2 and beyond must choose a **stream**, such that your labs and clinical placements remain aligned for continuity and scheduling purposes.

Once you have selected a stream, you will remain in that stream until you graduate.

Please make sure you are registered for the entire academic year (Fall, Winter & Spring semesters) prior to June 30th, 2022. After this date, you will be unable to make changes to your schedule via self service.

Register for courses online at <https://selfservice.keyano.ca/SelfService/Home.aspx>

**Please select only one stream, and only one option within that stream.
If the sections you want are closed (red book), please choose a different stream.**

NOTE: class dates and times are not official until the first day of class, and are subject to change.
