3. A time conflict will be visible because two courses are squeezed together in the same box on the grid:

- If there is a time conflict, you will have to choose which course has priority, and drop the other. If there is no course conflict, continue.
  - Back in the Search Sections view, see if there is another section of your course that will not have a time conflict.
  - Continue to add courses, checking for time conflicts after each addition.
- Please see next page for Program of Study guide.

## Program of Study: Educational Assistant Certificate

This diploma program consists of two 4-month terms in Fall and Winter, plus one 6-week Spring term. To graduate at the end of these three terms, students must successfully complete all courses listed for each term (also known as Full Load).

**Graduation:** Students with a passing grade in each course, who successfully complete the program of study and obtain an overall Grade Point Average of 1.7 or better shall be issued a diploma. **Grades of D may impact your eligibility to graduate.**

**Transferability:** For information on transfer to various post-secondary institutions, please refer to the Alberta Transfer Guide at [transferalberta.alberta.ca](https://transferalberta.alberta.ca). Please note that every institution has its own policy regarding minimum grades needed for transfer credit.

Based on the number of credits required in an academic year, the number of credits required to reach Full Time (FT) status can vary.

- Students can only be Part Time in Spring.

**You may reduce your course load and do fewer courses per term, but it will take you longer than four terms to graduate and you will incur additional costs.**
