Registration Guide 2025-2026

Program of Study: Bridge to Canadian Nursing

This program consists of two 4-month terms plus one 6-week term, and is designed to assist internationally-educated nurses, or Canadian nurses whose license to practice has expired, to pass the NCLEX-RN exam and become licensed to practice in Alberta.

Based on the number of credits required in an academic year, the number of credits required to reach Full Time (FT) status can vary.

- Students can only be Part Time in Spring.

You may reduce your course load and do fewer courses per term, but it will take you longer than four terms to complete the required courses, and you will incur additional costs.
