

Practical Nursing

Welcome to the Practical Nursing Program at Keyano College!

You have made an excellent choice in selecting Keyano College as the institution where you will obtain your Practical Nursing (PN) diploma. Our program is unique because of small class sizes, equating to individualized attention and diverse clinical practicums. At Keyano College, you will work with experienced faculty who are student focused, approachable, and flexible.

Throughout the PN program, you will have an opportunity to participate in a variety of experiential learning. There are many preparatory requirements needed for this learning. All students must comply with the mandatory list of requirements below.

You should apply for the CPR certification and Police Information Check over the summer because of the time-sensitive nature of the requests.

ALL REQUIRED DOCUMENTS ARE TO BE SUBMITTED TO THE NURSING AND ALLIED HEALTH STUDIES Department ON/OR BEFORE September 19, 2022. Please email all documents, EXCEPT the Police Information Check and Vulnerable Sector Check to nursing@keyano.ca.

❖ **Alberta Health Services (AHS) Student Orientation, Confidentiality & User Training**

Confidentiality is especially important in health care. Alberta Health Services (AHS), one of the major providers of experiential learning, requires that ALL students complete the online Student Orientation modules. All information can be found on the Alberta Health Services Student Orientation webpage:

<https://www.albertahealthservices.ca/careers/Page12728.aspx>

- Should you have problems accessing the above link, it is also on Moodle (if you have your Moodle access) under Nursing/EMT Yearly Certification – Orientation Modules for Placement with AHS – Click Student Orientation to Alberta Health Services.

- At the top of the Student Orientation page, under the “Welcome to AHS” heading, click on the word **orientation** that is underlined to bring you to the AHS orientation. Please print certification upon completion.
- Next, you will return to the Student Orientation page, and review “Policies covered in the Orientation Module.”
- Next, you will be completing the “Online Learning: Policies, Standards & Guidelines” Modules - printing off the certificates upon completion:
 - AHS Secure – Collect It, Protect It
 - Code of Conduct
 - Safe Disclosure/Whistleblower Policy
- Finally, you will be completing the “Ergonomics” Modules - printing off the certificates upon completion:
 - Musculoskeletal Injury Prevention
 - Move Safe Injury Prevention
 - It’s Your Move - <https://www.albertahealthservices.ca/careers/Page12772.aspx>

❖ **BLS – Heart & Stroke Foundation – Basic Life Support Provider**

All students are required to obtain CPR certification. Evidence of recertification in each subsequent year of your program is required. The CPR Certificate **must be dated no earlier than April 30, 2022,** and the associated costs are your responsibility.

The Nursing & Allied Health Services department will **ONLY** accept *Heart and Stroke Foundation: Basic Life Support Provider CPR* as proof of CPR certification.

❖ **Police Information Check with Vulnerable Sector Clearance**

You are required to provide Keyano College with a Police Information Check and Vulnerable Sector Check annually. Please submit the original of your Police Information Check, with Vulnerable Sector Clearance to the Nursing and Allied Health Studies Department on/or before September 19, 2022, the associated costs are your responsibility.

ALL photocopies of Police Information Checks should be made prior to submission of originals – the department will not provide photocopies at a later date.

During enrolment in the program, you must self-report any change in criminal convictions or criminal charges to the Chairperson of the Nursing & Allied Health Studies Department.

Where a Police Check shows any one or more boxes checked off indicating that information “may or may not exist” you will be directed to consult with the Chairperson of the Nursing & Allied Health Services Department for further information.

❖ **HSPnet Consent Form**

The Health Sciences Placement Network (HSPnet) is a computer system used by the Nursing & Allied Health Services department to arrange all clinical placements for our students. Students should read the document [Purposes and Handling of Personal Information in HSPnet](#) and then sign and submit the [Consent Form for Use and Disclosure of Student Information](#).

❖ **Meditech Clinical Information System (CIS)**

Students are to complete the Meditech Clinical Information System (CIS) Certification to get AHS Student Computer Access as part of the Student Placement Process. A training link is provided below:

<http://www.albertahealthservices.ca/info/Page10995.aspx>

- Scroll down to the tab “e-Learning Modules” near the bottom of the page and click. The e-learning courses are listed. Scroll to the required title and click on it. You are required to do the following courses and **PRINT OFF** certificates and **ATTACH** to the form (there will be 3 certificates):
 - Meditech Overview & Navigation
 - Meditech Enterprise Medical Record (EMR) Module
 - Meditech Order Entry (OE)
 - Sign the form provided in this Welcome Package (AHS Student Computer Access & Student Placement Process Form) and attach to the three (3) certificates of completion above, for submission.

❖ **WHMIS Certification on Moodle**

Each year students are required to complete the WHMIS Certification. This can be done through Moodle and a copy of the certificate must be printed and submitted.

Note: You only have 3 attempts to receive your certificate. Access to Moodle will be provided to students with your Keyano College Student ID and email access.

❖ **Sign and Submit the Following Forms (attached to this email)**

- Keyano College Student Consent.
- Keyano College Code of Conduct

- Personal Declarations for Nursing and Allied Health Studies.
- AHS User Confidentiality Form
- AHS Student Computer Access as part of the Student Placement Process (Meditech)

❖ **Northern Students Nursing Alliance (NSNA) fees:**

- Each student is required to pay a **\$10 fee** to be members of the Northern Students Nursing Alliance (NSNA). This fee can be paid, in person, at the Nursing & Allied Health Studies department on/or before **September 19, 2022**
- The NSNA is a part of the larger national nursing student body – the Canadian Student Nursing Association. Membership in this organization brings many benefits. A representative of the NSNA will be onsite during College Orientation for more information.

Additional documents, as required, are to be submitted to the College Nurse, in the Health Services Department (Room CC142). Documents required are attached and include, but are not limited to a Health Assessment Form, Immunization History Form, and Mask Fit Testing results. Please refer to the enclosed information from the College Nurse. All information requested from the College Nurse must be *hand-delivered* to Health Services on/or before September 30, 2022. Their office is currently closed - regular office hours are anticipated to resume on Monday, August 29, 2022. **Do not mail or email any medical requirement-related documentation to Keyano College.**

ADDITIONAL INFORMATION FOR STUDENTS

❖ **Textbooks and Supplies**

Students are required to purchase books before the first day of classes. The Keyano College Bookstore will have lists of all books and required resources needed for each course available at the [Keyano College Bookstore](#), two weeks prior to the start of the semester.

In addition to books, students will require the following supplies, which are available for purchase at the Keyano College Bookstore:

- | | |
|----------------|-----------------------|
| • Penlight | coat |
| • Stethoscope | • Bandage scissors |
| • Black pen(s) | • Blood Pressure Cuff |
| • White lab | (recommended) |

❖ **Orientation Day – Tuesday, August 31st, 2022**

Valuable information will be provided at orientation and is **MANDATORY** for all students to attend. Details about orientation will be emailed closer to the start date of the program.

Please review the additional information found on the [Practical Nursing](#) webpage. For any transferability of [Advanced Credits or Prior Learning Assessment Recognition \(PLAR\)](#), please see the 2022-2023 Keyano College Credit Calendar under **TRANSFERABILITY**.

Given the COVID-19 pandemic, modifications to the information outlined in this letter may be required. All communications regarding this will be disseminated to students via their Keyano email address, as this is the official method of communication used at the College.

I trust that you will find your experience at Keyano College both personally and professionally rewarding. I look forward to meeting you on Orientation Day, August 31st!

If you have any questions or need any assistance, please do not hesitate to contact us at 780-791-4889, or by email, nursing@keyano.ca.

Sincerely,

It is required that you read and understand the above referenced policies and treat patient or other information as confidential. Confidentiality of information is governed by both AHS policy and provincial and federal law.

You must sign this Agreement before AHS will grant access to AHS information or an AHS System. This Agreement explains the rules and expectations related to securing and protecting AHS information and systems. You may be required to comply with additional terms and conditions before accessing specific AHS Systems.

Agreement

System Security

1. I will keep any AHS System login information such as my user password confidential and will not share this login information with anyone else.
2. I am responsible for any use of any AHS System performed under my login information.
3. I will not leave my workstation unattended without logging out or securing my workstation.
4. I will not use or obtain another person's login information.
5. If I believe my login information may be known by another person I will immediately change my password and notify the AHS IT Security and Compliance Office.
6. I shall not download or install any application or program to an AHS System without the approval of the administrator for that particular AHS System.

Agreement (continued)

Appropriate Collection, Use and Disclosure of Information.

7. I shall only collect, access, use and disclose the ***minimum*** information necessary for the purpose of fulfilling my AHS job duties and responsibilities.
8. I will not access information for non-AHS purposes, including accessing my own health information, or the information pertaining to: a family member, friend, colleague, or anyone who is not within my scope of my duties and responsibilities. There are procedures in place in Health Records which would allow me or others to appropriately request access to health information.
9. I shall ensure that information I enter into an AHS System is complete and accurate to the best of my ability.
10. I shall dispose of any information I access from the AHS System (whether in electronic or paper form) in a secure manner as explained in AHS policies and procedures.
11. I shall use reasonable means to ensure that while I am accessing information on an AHS System it will not be viewed or obtained by unauthorized people. (e.g. secure my computer, be discreet when viewing data).
12. I understand that AHS retains ownership and control over all information contained in the AHS System (whether in electronic or paper form).
13. I shall not collect, use, transmit or disclose any AHS information except as allowed by AHS policies and procedures.

Confidentiality Provisions

14. I shall take reasonable actions to keep all information private and confidential and prevent the unauthorized collection, use and/or disclosure of all information that I come into contact with.
15. I accept that the obligation to keep AHS information confidential continues even after I leave the organization or my relationship with AHS ends.
16. If I become aware of a violation of a policy referenced above or a potential or actual breach of confidentiality, I will notify my Supervisor immediately. I will also notify the AHS Information & Privacy Office or IT Security & Compliance as soon as possible.

Audit and Sanctions

17. I understand and acknowledge that AHS conducts random audits of AHS Systems and may audit my use of any AHS System without notice.
18. I understand that AHS, in its sole discretion, may revoke or restrict my access to any AHS information or AHS System, for any reason.
19. I acknowledge that I have read the policies referenced above and understand the consequences for a violation of those policies and/or this Agreement.

I accept the rules and expectations described in this agreement:

DIRECTIONS FOR COMPLETING IMMUNIZATION REQUIREMENTS AND WORKSHEET

1. Fill out the attached worksheet and begin scheduling any outstanding immunizations/tests or physician appointments **IMMEDIATELY. Some requirements take weeks and in some cases months to complete and this may affect clinical placements.**
2. When visiting Public Health, please let them know that you are a Health Care Worker (HCW) student with Keyano College.
3. Please note that in accordance with new Alberta-wide guidelines, **documentary evidence** of immunizations and blood work is **required** for all vaccinations and tests. It is NOT sufficient to have a health professional sign the form indicating that the vaccines or blood work are completed. You **must** submit photocopied proof of these documents with the worksheet. If no documentary evidence is available, you will be required to undergo re-immunization, and/or repeat testing
4. If you do not have your immunization record the following people/organizations, may be a useful resource
 - a. Alberta: Calgary Central Records (403) 214-3631/ Edmonton (780) 413-7985
 - b. Outside of Alberta or Canada, contact your local health unit/hospital or healthcare professional/agency that immunized you
 - c. Parents
5. All listed immunizations are **necessary** for you to work in hospitals or other health care facilities. **They are not optional.** If immunizations/tests are not completed, you **MAY NOT** be able to continue in the program
6. To completed needed immunizations:
 - a. Immunizations within Fort McMurray: make an appointment with the Public Health Unit (780) 791-6247 for an immunization review. **(bring the completed immunization worksheet and a photocopy of your immunization record with you)**
 - b. Lab work within Fort McMurray: make an appointment with your local health clinic or physician. **(bring the completed immunization worksheet and a photocopy of your immunization record with you)**
 - c. Immunizations & lab work outside of Fort McMurray: make an appointment with your local health clinic or physician **(bring the completed immunization worksheet and a photocopy of your immunization record with you)**
7. You may choose to mail or bring in all forms and photocopies to Keyano College-Health Services prior to the start of your program **(even if incomplete)**
 - a. If incomplete, please attach a detailed plan outlining when you will be completing the outstanding requirements and include the dates these appointments are booked for
 - b. All outstanding requirements are to be completed prior to the start of your program. The only exception is if you have to wait for an immunization or test because of scheduling. i.e: you had your second Hepatitis vaccination and now you need to wait 5 months to have your third vaccination.

Questions??

Refer to the requirements column on the Student Immunizations Worksheet where you will find information and rationale for each immunization is given

1. Permission to Use and Disclose Your Student Related Personal Information and Personal Health Information

By signing this consent, you authorize your educational Program (Practical Nurse Program) to:

- Collect, use and/or disclose your personal information (name and student profile information that is under the custody and control of your Program) to authorized staff of Receiving Agencies for the purpose of locating and coordinating an appropriate placement experience (e.g. clinical practica, fieldwork, or preceptorship) as required by your educational program;
- Use your student related personal information and personal health information relating to placement prerequisites, for the purpose of tracking your compliance against Receiving Agency safety and infection control prerequisites for accepting students. Placement prerequisites that may be tracked include personal information such as CPR certification or criminal records check status, and personal health information such as immunity/immunization status of vaccine-preventable diseases. Placement prerequisite information is used only by staff involved with your educational program, and is never disclosed to users external to your educational program.
- Disclose your personal information to the owner and administrator of the HSPnet system, namely Provincial Health Services Authority British Columbia (PHSA), to allow PHSA to indirectly collect your personal information to provide HSPnet student placement services.

2. Consent Period

This consent is effective immediately and shall remain valid for up to six years, or shall be voided upon your completion of the Program, your formal withdrawal from the Program, or upon written request as described below.

3. Your Rights With Respect to This Consent

- 3.1 Right to Refuse Consent** - You have the right to refuse to sign this consent, and if you refuse your placement will be processed manually at the earliest convenience of the Program and Receiving Agency.
- 3.2 Right to Review Privacy & Security Policies** - A copy of the document entitled *Identified Purposes and Handling of Personal Information in HSPnet*, which summarizes Privacy and Security policies relating to how we may use and disclose your personal information via HSPnet, is distributed with this Consent Form. You may wish to review the complete Privacy and Security Policies for HSPnet before signing this consent. The Privacy and Security policies may be amended from time to time, and you can obtain an updated copy by contacting privacy@hspcanada.net.
- 3.3 Right to Request Restrictions on Use/Disclosure** - You have the right to request that we restrict how we use and/or disclose your personal information or personal health information via HSPnet for the purpose of locating and coordinating a suitable placement experience. Such requests must be made in writing to the placement coordinator for your Program. If we agree to a restriction you have requested, we must restrict our use and/or disclosure of your personal information in the manner described in your request. If this restriction precludes our ability to coordinate your placement via HSPnet, then your placement will be processed manually at the earliest convenience of the placement coordinator and receiving agency.
- 3.4 Right to Revoke Consent** - You have the right to revoke this consent at any time. Your revocation of this consent must be in writing to the placement coordinator for your Program. Note that your revocation of this consent, or the voiding of this consent upon your completion or withdrawal from the Program, would not be retroactive and would not affect uses or disclosures we have already made according to your prior consent.
- 3.5 Right to Receive a Copy of This Consent Form** - You may request a copy of your signed consent form.

Collection of your personal information is done under the authority of the privacy legislation that applies to educational institutions in your province. For more information visit www.hspcanada.net/privacy/index.asp.

I hereby authorize my educational Program to use and/or disclose my personal information via HSPnet for the purpose of locating and coordinating appropriate student placement(s) as required by the curriculum.

Keyano College Immunization Clearance Form: requirements for Entry into a Program

all forms must include immunization records, serology (blood work results) and/or chest x-rays attached

Tetanus, Diphtheria

1. Requirements are met with no further action required if:
 - Primary series is documented as "Yes"
 - The "date of last dose" (booster) is documented and is within last 10 years
 - The type of booster has been selected – either Td or dTapOR
 - The primary series is documented as "No" AND there is documentation of an adult tetanus-diphtheria series (3 doses) including 1 dose of dTap
2. Follow up required if:
 - The primary series "Yes" box is blank or "No" was selected (regardless of whether a booster is documented) and there is no documentation of an adult tetanus-diphtheria series (3 doses including 1 dose of dTap)
 - There is no "date of last dose"
 - The "date of last dose" was over 10 years ago
 - The type of booster was not indicated

*****It is not possible to have a booster without having a primary series.*****

Pertussis

1. Requirements are met with no further action required if:
 - There is documentation of a dTap booster when the student was ≥ 18 years old
2. Follow up is required if:
 - There is no dTap booster at ≥ 18 years old
 - The student was less than 18 years old at the time of the booster
 - The "date of last dose" is blank
 - It is not clear if the "date of last dose" was dTap

*****It is possible for the "date of last booster" in the tetanus/diphtheria sections to be the same date as the "date of last dose" in the pertussis section.*****

Varicella

1. Requirements are met with no further action required if:
 - A definite history of varicella disease over the age of 12 months is documentedOR
 - A positive Varicella IgG result is documented. A copy of the lab result MUST be included with the formOR
 - Age-appropriate varicella vaccination is documented. Only 1 dose is needed if the student was between 12 months up to and including 12 years old at time of vaccination. 2 doses are needed if the student was 13 years or older at the time of vaccination
2. Follow up is required if:

- No age documented as to when the student had varicella disease OR if the student was less than 12 months old when they were sick
- The student is unsure whether or not they had the disease
- Varicella IgG serology result is negative/indeterminate & there are no dates of vaccination
- Only 1 dose of varicella vaccine given when the student was 13 years or older

*****Immunized students do not require blood work as proof of immunity.*****

Tuberculosis Screening Test (TST)

1. Requirements are met with no further action required if:
 - 1-step TST result documented within 12 months of the program start date. The result must be documented in millimeters to be considered valid. For example, "negative" or "positive" is not an acceptable result – it must be an actual measurement i.e: "0 mm"
 - A positive TST is documented in millimeters (≥ 10 mm). This result can be accepted regardless of the date when it was done. The student should not be re-tested after a positive result.
 - If the TST result is positive (≥ 10 mm), a chest x-ray result within 6 months of the program start date must also be documented. A copy of the x-ray report must be included with the form
2. Follow up is required if:
 - Only a chest x-ray has been documented & there are no/incomplete TST results
 - The TST results are documented incorrectly as "positive" or "negative" without a measurement in millimeters
 - The TST was not done within 12 months of the program start date
 - The chest x-ray was not done within 6 months of the program start date
 - The chest x-ray report was abnormal

*****A TST is still done regardless of whether a student has received a BCG vaccine in the past*****

Measles, Mumps, Rubella

A) Measles:

- 1) Requirements are met with no further action required if:
 - Documentation of 2 Measles doses at ≥ 12 months old

B) Mumps:

- 1) Requirements are met with no further action required if:
 - Documentation of 2 Mumps doses at ≥ 12 months old

C) Rubella:

- 1) Requirements are met with no further action required if:
 - Documentation of 1 Rubella dose at ≥ 12 months old

D) Follow up is required if:

- The student does not have the correct amount of doses for each disease
- If the 1st doses of Measles, Mumps, and/or Rubella was given BEFORE the students 1st birthday
- Mumps IgG serology results are reported on the form (see below)

- *If students do not have immunization records – serological testing should not be done. The student must be re-immunized*
- *If the student has had serology done for other purposes in the past & has copies of the lab results – positive Measles IgG & Rubella IgG results can be accepted as proof of immunity. The lab results must be included with the form*
- *Mumps IgG serology results will not be accepted as proof of immunity*
- *Rubella vaccination is legislated under the Alberta Public Health Act, Communicable Disease Regulations – all students who may have face-to face contact with pregnant women must be vaccinated*
- *If a student is medically contraindicated to receive the MMR vaccine – serology and a letter from their physician regarding the medical contraindication is required. This information must be reviewed by the student's faculty re: possible restrictions to be applied when the student is on medical placements.*

Hepatitis B

**According to the 2015 Provincial Standards for Immunization of Post-Secondary Health Care Students; all students will be divided into 2 groups: A) Students of High Risk of Past Infections and B) Students Not At Risk

Students at High-Risk: Students from a Hepatitis B endemic country, those who have received repeated blood transfusions or blood products, those on dialysis & those who indicate lifestyle risks of infection

For step-by-step instructions – please refer to: Appendix A for a list of Hepatitis B endemic countries, Appendix B for Students Not At Risk Algorithm & Appendix C for Students at High Risk Algorithm.

A) Students Not At Risk

1. Requirements are met with no further action required if:
 - A series of Hepatitis B vaccine has been documented AND positive Anti-HBs serology results (≥ 10 IU/L). A copy of the serology results must be attached to the form. Positive Anti-HBs serology results alone may be accepted without documentation of vaccination.
 - Please refer to Appendix B: Hep B Vaccine Recommendations Algorithm for Individuals Not At Risk of Past Infection.
 - If the student is a non-responder AND/OR if HBsAg result is positive – a physician's letter explaining the lab result and any results implications on the students clinical practice must be attached to the form along with the serology results
 2. Follow up is required if:
 - The student has no documentation of Anti-HBs results or the results are negative (≥ 10 IU/L).
 - The algorithm was not followed correctly
 - The student has not fully completed the Hepatitis B requirements
 - The HBsAg results are positive AND/OR if the student is a non-responder and has not followed up with a physician. There must be a physician's letter explaining the lab results attached to the form.
- Students who do not develop positive Anti-HBs results after 6 doses of vaccine results are considered non-responders. No further doses of vaccine are given. They are required to inform their program of this result. There must be a physician's letter explaining the lab results attached to the form.
 - Students who are HBsAg positive are required to inform their program/professional organization of their test result. There must be a physician's letter explaining the lab results attached to the form.

B) Students At High-Risk

1. Requirements are met with no further action required if:
 - A series of Hepatitis B vaccine has been documented AND positive Anti-HBs serology results (≥ 10 IU/L). A copy of the serology results must be attached to the form. Positive Anti-HBs serology results alone may be accepted without documentation of vaccination.
AND
 - Serology results for Anti-HBc and HBsAg are documented & attached to the form
 - Please refer to Appendix C: Hep B Vaccine Recommendations Algorithm for Individuals at High Risk of Past Infection
 2. Follow up is required if:
 - 1 or more of the 3 required Hep B serology test results are not documented/missing. **All 3 test results are required (Anti-HBs, HBsAg, Anti-HBc).**
 - The algorithm was not followed correctly
 - The student has not yet fully completed the the Hep B requirements
 - If the HBsAg and/or Anti-HBc results are positive and/or if the student is a non-responder and the student has not followed-up with a phyhsician. There must be a physician's letter explaining the lab results attached to the form
- Students who do not develop positive Anti-HBs results after 6 doses of vaccine results are considered non-responders. No further doses of vaccine are given. They are required to inform their program of the result.
 - Students who are HBsAg positive are required to inform their program/professional organization of their test results. There must be a physician's letter explaining the lab results attached to the form

Respirator Fit Test (mask fit testing)

Prior to acute care clinical practice courses, all Allied Health Students must be fitted with a 3M- N95 Respiratory Masks in accordance with the contractual agreement with Alberta Health Services.

Mask fit testing is valid for two years but may require re-testing if you have any of the following as it may affect the fit of the mask.

- Dental work
- Face surgery
- Weight loss or gain

You must provide a photocopy of the result to the Health Services Department prior to the start of your program.

You are responsible for scheduling your own mask fit test with a qualified service provider. Ensure they test you with a mask that is supplied at the Northern Lights Regional Health Centre-AHS Fort McMurray, AB (1870+, 8210, 8110s, 9105-vflex, 9105s vflex).

The charge for this test range from \$15.00 to \$30.00 – confirm the cost with individual clinics before booking.
