

INTERNATIONAL STUDENTS REQUEST FOR AUTHORIZED LEAVE OF ABSENCE FROM STUDIES

International students with valid study permits must meet the conditions of their permit to maintain their legal status in Canada. One of the conditions is to pursue their program of study actively. An unauthorized leave of absence will violate the conditions of the study permit. In addition, the length of the leave of absence may affect your status as a student and your eligibility for the Post-Graduation Work Permit (PGWP) after completing your program.

Immigration, Citizenship, and Refugees Canada only considers students to actively pursue their studies program if the leave is less than 150 days. For leave periods of longer than 150 days, a student must do one of the following:

- Change their status to visitor
- Leave Canada

The leave of absence should be used in exceptional circumstances. Please contact the International Office at International@keyano.ca before requesting/taking any leave of absence from studies.
