Re: Co-op Work Permit for mandatory component of Educational Assistant Certificate
Designated Learning Institution (DLI) #: **O19283886532**

To Whom It May Concern:

This letter confirms that a Co-op/Work Placement/Internship is a mandatory requirement of the **Educational Assistant Certificate program at Keyano College for the Fall 2023 intake**. This letter is to be used as supporting documentation to apply for a Canadian Co-op Work Permit.

All students in this program are required to complete a mandatory work experience component in order to receive their credential. The work experience component forms less than 50% of the total program of study and provides students with real-world experiences that are applicable to their education and future careers

For students in this intake who follow the program's standard enrolment path, work experience details are:

Number of hours: 270 hours

Date range(s) Term 1 (September 2023 – December 2023)
Term 2 (January 2024 – April 2024)

Sincerely,

A handwritten signature in black ink, appearing to read "Rebecca Tait".
