

RESOURCE SHARING POLICY

1. Statement of Intent

- 1.1. The vision of providing barrier-free access to information for all Albertans has guided The Alberta Library since it was established by its members in 1997. This vision requires a commitment from each of its member libraries, as outlined in the TAL Articles of Association, to “[adopt] the principles of barrier-free access to Member resources and agreed that reciprocal access to collections will be enabled by [The Alberta Library.]”
- 1.2. The Alberta Library’s vision is *Together. One card. One click.* This represents the members’ intention to provide easy access to each other’s resources, both on site and remotely.
- 1.3. Individual information needs require access to a range of material that is not available in any one library. One step toward achieving easy access for user to the collections of all member libraries is to continue eliminating jurisdictional barriers by enabling library users’ direct access to information services and the collections of all member libraries.

 - 2.1.2. on-site borrowing using the TAL Card,

- 2.5. Host library: a member library which is visited in person by a TAL Card user or virtually through TAL Online for the purpose of borrowing materials.

3. Autonomy

- 3.1. The Alberta Library resource sharing policy operates within a context of mutual respect and acknowledgement of the internal policies of its members. The Alberta Library also recognizes that member libraries have agreements with other institutions. Such agreements shall be respected.

4. Equity

- 4.1. Each member of The Alberta Library, regardless of size or type of library, shall have equitable access to resource sharing services.

- 6.2. There will be no charges for users of TAL member libraries for requested resources from other TAL member libraries discovered through TAL Online (and other sources) except for those fees normally charged to primary users.

- 7.3. TAL Card holders must abide by host library lending rules.
- 7.4. TAL Card holders will not be charged a fee for borrowing materials from member libraries outside their home library.
- 7.5. Late fees and/or replacement costs will be applied to TAL Card holders as prescribed by host library policies and will be collectable by host libraries.
- 7.6. Borrowed materials can be returned at any member library in Alberta and these returns will be forwarded to the host library.

7.7. TAL Cards may only be issued to juveniles with the permission of the parent or guardian.

8. Information Services

8.1. Primary users will be able to access information and reference services of host libraries, subject to the following:

8.2. Access may be subject to resource availability (e.g. staff availability) in the host library.

8.3. Notwithstanding item 1, primary users visiting host libraries will always be able to access basic information services (e.g. simple orientation to the library, referrals, and directional questions).
