# \$1 MILLION MÉTIS EDUCATION STUDENT AWARD ENDOWMENT

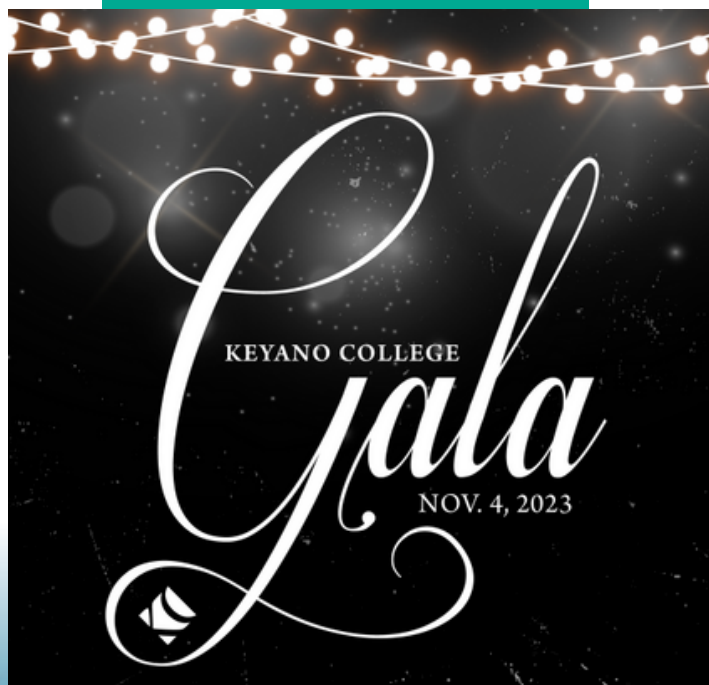

Keyano College has been gifted \$500,000 from the Métis Nation of Alberta's Métis Education Foundation and the Rupertsland Institute. Keyano has matched to establish the \$1-million-dollar Métis Education Endowment Fund. The fund will provide financial aid to qualified Métis students to reduce the overall cost of education and the financial burden it can have.

Audrey Poitras, President of the Métis Nation of Alberta, said, "This partnership signals a commitment from Keyano College to the education and success of our Métis citizens. To the Métis Nation, the creation of this fund was not just a donation to the College; it was an investment in the future of the Metis Nation."
