Program of Study: Practical Nurse Diploma

This diploma program consists of four 4-month terms, plus one six-week-long term after Year 1 for the Continuing Care practicum. To graduate at the end of these terms, students must successfully complete all courses listed for each term (also known as Full Load).

Note that you must successfully complete ALL Year 1 courses before you can take any Year 2 courses.

Graduation: Please refer to the [Credit Calendar](#) for Practical Nurse Progression Policy.

Transferability: For information on transfer to various post-secondary institutions, please refer to the Alberta Transfer Guide at transferalberta.alberta.ca. Note that every institution has its own policy regarding minimum grades needed for transfer credit.

Based on the number of credits required in an academic year, the number of credits required to reach Full Time (FT) status can vary.

- The six-week Spring term at the end of Year 1 is designated for your first Practicum.

You may reduce your course load and do fewer courses per term, but it will take you longer than four terms to graduate and you will incur additional costs.

Not coming to Keyano after all?

Once you have registered for classes, **you are responsible for the associated tuition and fees whether you attend or not**, unless you have withdrawn.

PLEASE NOTE: Non-attendance is not accepted as a notice of withdrawal.

Students who voluntarily withdraw from the College must submit a [Withdrawal Form](#) (either signed or sent from your keyanomail account) by a specific date for each term.

Please see our [Refund Policy webpage](#) for information on refunds. (If you have already paid for the term, you may request a refund upon withdrawing by the deadline.)
