

How to Drop or Withdraw from Classes

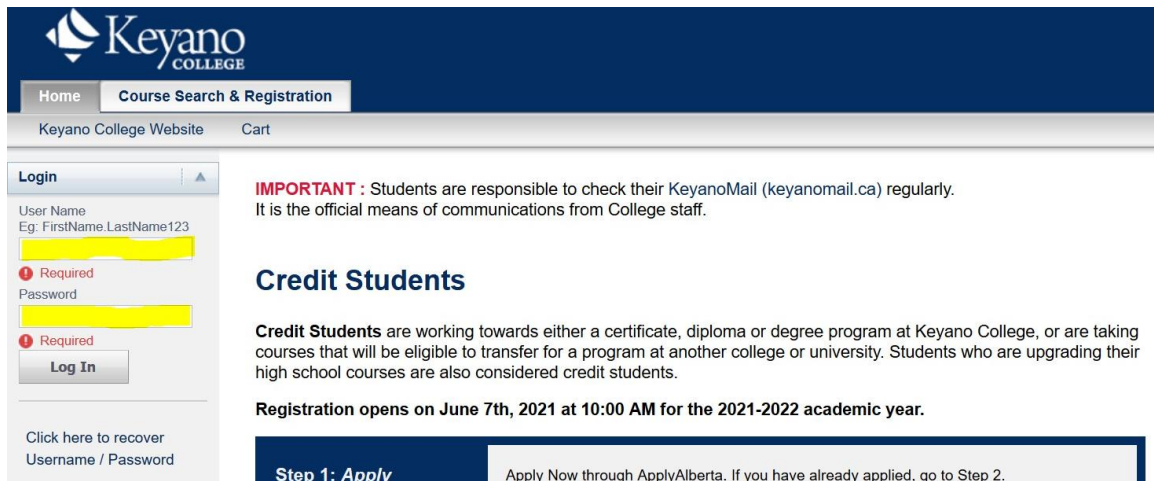

You may add and drop classes in **Self Service** up until the last day to add/drop classes for each term. After that date, please submit a [Self-Registration form](#) to add classes and a [Withdraw/Drop form](#) to drop classes.

Note that there is a deadline in each term, after which it is not possible to withdraw from a class. **It is the student's responsibility to know how dropping classes affects their athletics, student housing, student loan/sponsorship, and Study Permit status.**

These important dates can be found on the academic schedule: [Academic Schedule - Keyano College](#)
