Bachelor of Education Elementary Collaborative Degree
New structure for students entering Year 3 in Fall 2029

Self Service instructions can be found here: <https://www.keyano.ca/student-services/office-of-the-registrar/course-registration-guides#selfservice>

- Please see the table below for the recommended course sequence, including prerequisites for each course. If you do not follow this sequence, it may take additional time and costs to complete your program.
- **Please Note: All schedules are tentative and subject to change until the [last day to add/drop classes](#) each term.**

BEd Elementary Course Options for the first 60 credits – Year 1 and 2 (Years 3 & 4 at Keyano in Collaborative Degree as U of A student, or transfer to another institution)

A single course can be used to fulfill both a required element and a minor subject, but will only count as 3 credits toward the required 60. For example, HIST 260 can be used to fill both the Social Science Element and the Social Studies minor.

Bachelor of Education Elementary Collaborative Degree

New structure for students entering Year 3 in Fall 2029

All 60 credits of the first two years must be completed by the end of April of the year in which you plan to begin Year 3. Intakes into year 3 take place every second year in odd-numbered years. The next intake into year 3 is Fall 2029, and the next year after that will be Fall 2031.

You may reduce your course load and do fewer courses per term, but it will take you longer than four terms to graduate and you will incur additional costs.

Repeating Courses: Please review the [repeating courses policy](#), as there is a limit to the number of times you can repeat courses.

Not coming to Keyano after all?

Once you have registered for classes, **you are responsible for the associated tuition and fees whether you attend or not**, unless you have withdrawn.

PLEASE NOTE: Non-attendance is not accepted as a notice of withdrawal.

Students who voluntarily withdraw from the College must submit a [Withdrawal Form](#) (either signed or sent from your keyanomail account) by a specific date for each term.

Please see our [Refund Policy webpage](#) for information on refunds. (If you have already paid for the term, you may request a refund upon withdrawing by the deadline.)

See the [academic schedule](#) for deadlines and due dates.

Transferability: For information on transfer to various post-secondary institutions, please refer to the Alberta Transfer Guide at transferalberta.alberta.ca. Please note that every institution has its own policy regarding minimum grades needed for transfer credit.

The information in this Registration Guide is accurate at the time of publication and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choices. This Guide should be used along with the official version of the Keyano College Credit Calendar (<https://www.keyano.ca/admissions/credit-calendar/>)

Keyano College reserves the right to modify the syllabus, curriculum, or schedule of any course/program, or to cancel a course/program entirely, at any time and for any reason. Such changes may be necessary due to unforeseen circumstances, regulatory requirements, or to ensure the highest quality of education.

Students will be notified of any significant changes as soon as possible. Keyano College is not responsible for any inconvenience or disruption caused by these changes. It is the responsibility of the students to stay informed about any updates or modifications to their courses.
