For example:

The number of credits required to reach Full Time status can vary based on the total number of credits in the year of study of your program.

- Students can only be Part Time in Spring in most programs.

Graduation Requirements: Students with a passing grade in each course, who successfully complete the program of study and obtain an overall program Grade Point Average (GPA) of 1.7 or better shall be issued a credential. **Too many grades of D may impact your eligibility to graduate.**

You may reduce your course load and do fewer courses per term, but it will take you longer than four terms to graduate and you will incur additional costs.

Repeating Courses: Please review the [repeating courses policy](#), as there is a limit to the number of times you can repeat courses.

Practicum Placements

- You must submit fresh documents by the deadline for each term to be eligible for each practicum placement.

Registration Guide 2026-2027

Early Learning & Child Care Certificate

- You will be registered for each practicum and seminar when the Placement Coordinator has confirmed your eligibility, and you will be notified by keyanomail when it is complete.
- If you decline your placement, you move to the bottom of the priority list, and might not obtain a different placement in the same term.
- All placements will be located in the Fort McMurray area.
- Placements will be arranged by the College. Please do not approach day care operators on your own, as this will risk them not participating in practicums at all.

Extra Terms

Your program consists of two full-time terms that you must pay for.

- If you fail or withdraw from courses such that you need to complete extra terms in order to complete all courses, then you will be charged for those extra terms.

Not coming to Keyano after all?

Students who voluntarily withdraw from the College must submit a [Withdrawal Form](#) (either signed or sent from your keyanomail account) by a specific date for each term.

Please see our [Refund Policy webpage](#) for information on refunds. (If you have already paid for the term, you may request a refund upon withdrawing by the deadline.)
