- CHEM101 lecture A, laboratory X, **and** tutorial V
- CHEM101 lecture B, laboratory Y, **and** tutorial V2

The number of credits required to reach Full Time status can vary based on the total number of credits in the year of study of your program.

- Students can only be Part Time in Spring in most programs.

Registration Guide 2026-2027

Environmental Technology Diploma

Graduation Requirements: Students with a passing grade in each course, who successfully complete the program of study and obtain an overall program Grade Point Average (GPA) of 1.7 or better shall be issued a credential. **Too many grades of D may impact your eligibility to graduate.**

You may reduce your course load and do fewer courses per term, but it will take you longer than four terms to graduate and you will incur additional costs.

Repeating Courses: Please review the [repeating courses policy](#), as there is a limit to the number of times you can repeat courses.

Not coming to Keyano after all?

Once you have registered for classes, **you are responsible for the associated tuition and fees whether you attend or not**, unless you have withdrawn.

PLEASE NOTE: Non-attendance is not accepted as a notice of withdrawal.

Students who voluntarily withdraw from the College must submit a [Withdrawal Form](#) (either signed or sent from your keyanomail account) by a specific date for each term.

Please see our [Refund Policy webpage](#) for information on refunds. (If you have already paid for the term, you may request a refund upon withdrawing by the deadline.)

See the [academic schedule](#) for deadlines and due dates.

Transferability: For information on transfer to various post-secondary institutions, please refer to the Alberta Transfer Guide at transferalberta.alberta.ca. Please note that every institution has its own policy regarding minimum grades needed for transfer credit.

The information in this Registration Guide is accurate at the time of publication and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choices. This Guide should be used along with the official version of the Keyano College Credit Calendar (<https://www.keyano.ca/admissions/credit-calendar/>)

Keyano College reserves the right to modify the syllabus, curriculum, or schedule of any course/program, or to cancel a course/program entirely, at any time and for any reason. Such changes may be necessary due to unforeseen circumstances, regulatory requirements, or to ensure the highest quality of education.

Students will be notified of any significant changes as soon as possible. Keyano College is not responsible for any inconvenience or disruption caused by these changes. It is the responsibility of the students to stay informed about any updates or modifications to their courses.
