About Keyano *Encore* 2026

As Keyano College steps into a new chapter, we are evolving the way we gather, celebrate, and build opportunity together.

For more than 60 years, our signature fundraising event has reflected the strength of this community. It has supported scholarships, strengthened student success, and brought together those who believe in the transformative power of education. Because of you, that impact continues to grow.

On November 7, Keyano College invites you to step into an evening defined by elegance, celebration, and community.

Introducing Encore, a refined evolution of our signature fundraising event. Rooted in Wood Buffalo and inspired by the strength of our students and alumni. Encore reflects the momentum across our institution and the shared commitment that continues to build opportunity in this region.

Join us at SMS Equipment Place for a black-tie evening featuring an elevated four-course dining experience, live entertainment, and a vibrant atmosphere designed to bring our community together for an unforgettable evening.

We look forward to welcoming you
to this next chapter.

Message from the *President* & CEO

The success of our students cascades through our entire region.

From hospitals to small businesses, Keyano's impact has been directly linked to our region's strength since 1965. As a place of discovery, we bring students, faculty, and local leaders together to inspire one another.

In 2026, we enter a transformative chapter. There is momentum across our institution as we reimagine how we celebrate and invest in student success. While we honour our 60-year legacy, we look forward with a renewed vision for our future.

Our students remain at the heart of everything we do. Your partnership provides the education and training that empowers the next generation of professionals. Your contributions sustain Athletics, modernize infrastructure and student learning spaces.

Encore represents this new era. It is a celebration of our history and a commitment to our collective future. I invite you to join us not just as a supporter, but as a partner in Wood Buffalo's growth.

Thank you for being the reason our students excel.

Dr. Scott MacPherson
